

**MESSAGE FROM THE BLESSED VIRGIN MARY
TO HER BELOVED DAUGHTER LIGHT OF MARY
NOVEMBER 7, 2009**

Dearly beloved children of My Heart: I love you.

<p>You are My great treasure. Each one of you remains within My Heart. I protect you at every moment with My Maternal Mantle.</p>

I call you today to not separate yourselves from prayer; you must be lamps that illuminate the darkness that persists over humanity at this moment. Each day evil seizes those who live without God, and wreaks havoc on innocents, the evil one has enraged brutally against life; this is the cause of so much violence, of so much death at the hands of man himself.

That is why I call you to pray for your brothers and sisters. You must be intercessors, without weakening, so that the Divine Love that spreads over all souls is received voluntarily by all. Evil is fought with love, and that love that dwells in you must grow quickly in order to be multiplied through all of creation.

I have already announced to you previously about these events occurring nowadays, the ones that will increase with the passing of the days; just as I talked to you about an event that will cause astonishment and will affect the Church, the Church that I love so much!

This is another reason for you to fortify yourselves in faith, so that you nourish yourselves with the Eucharist, so that you walk in unity and do not stagger. The evil one hates unity, and tries to separate My children. But I am here, and I do not abandon you.

You take no notice of My calls, and deliberately ignore that you are “only” living the beginning of the fulfillment of all that I have announced to you. You seek for another explanation in order to flee from reality, you remain deaf to the Word that Heaven sends you, you make fun of all that is God. You despise Him, you even wish to make Him disappear, this is nothing other than the product of the desire for power of those who are preparing a single government, a single coin, through which they will subjugate humanity in order to hand it over into the hands of the Antichrist. Do not let this make you back down! You do not walk alone; keep the faith.

Children: Open your eyes! Man, in his eagerness for power, desires to exile God from His own creation, that is why I turn to you My children, so that you increase prayer and prepare yourselves for this very difficult present in which you live and for those (times) that are coming.

This “present” is difficult “now,” “yes” because everything has accelerated; you have vertiginously entered into the fulfillment of the prophecies. I have already announced to you previously that you live the “now” because time has run out; but do not be afraid, My Son’s Mercy is infinite, and everyone who comes repentantly and amends his or her life is welcomed with infinite Love.

Little children, I love you. I suffer for humanity; I intercede for each one of you. I watch with pain how you reject God, from every place, and I suffer more for those who do not desire God in their life. You already know, "there will come times in which man will live without God. They will be times more contaminated with sin than the times of Sodom and Gomorra. Sin will be overabundant and man will give himself over into the hands of the one who will come to usurp the Throne of Peter; the one will come for the booty, for souls in order to lead them to the eternal fire.

They will be days of pain, persecution and death; but IN THE END MY IMMACULATE HEART WILL TRIUMPH, AND THE SERPENT ALONG WITH HIS OWN WILL BE CHAINED UP, AND THE CHILDREN OF GOD WILL LIVE ETERNALLY.

Onward, little children. Pray so that you do not fall into temptation, so that the enemy does not find you sleeping. Continue giving love, and illuminating in the midst of the darkness, each one of you is a torch in which My Son reflects His Love.

I love you.

Mother Mary.
