

**MESSAGE FROM OUR LORD JESUS CHRIST
TO HIS BELOVED DAUGHTER LIGHT OF MARY
JANUARY 11, 2010**

Dearly beloved children: I love you; I love you and bless you.

Today I come to invite you, to call you to My Love. Love is not exclusive to a few; love is a duty of all of the children of My Heart.

Trust more in Me; do not worry so much, so much about the future, to the degree that it hinders your progress. Do not worry so much, so much about what happened. The past is in My hands and the future is of My property.

Give over every worry, all that perturbs you, all those desires, yearnings and worries, insecurities and illnesses to My Heart and to My Mother; hand them over to Me; rid yourselves of the worries, and you will see that I will do everything else in addition, according to My Will.

You walk en-route towards the final fulfillment of the prophecies, and with this fulfillment you should begin now a chain of constant prayer for the world. Pray, pray so that nature does not look upon My children indifferently. Pray to placate the forces of nature that wish to come out in order to manifest their power, to ask men once again to wake up and return their gaze towards Me.

I do not punish, I am Love and infinite Mercy; but man's sin is so great, that now not only does Creation rebel, but it vomits man. How much pain this causes Our Trinity! How much pain this causes My Mother who received you at the foot of the Cross! Man continues submerged in sin, and this has advanced the fulfillment of the prophecies. That is why it is of utmost necessity, that you, My people, annul human egoism and fusion yourselves with My House.

I want, I claim mystical souls; souls, that even in the midst of the world, are not dispersed by it, and nothing separates them from Me. Children, I want you to live in internal cloisters; that your mind, that your thoughts, that your heart live constantly fused to My House; that your words be praise and adoration, that your gazes be praise and adoration, that your steps walk in adoration and in praise. You do not need to hide from the world, you need to carry the testimony of My life, of My word, of My love to your brothers and sisters.

Mature, children, mature! It is time that you mature, that you now cease to be dominated by what is human and instead, let yourselves be dominated by My Love.

“You live in the world, but you are not of the world.”

I love you; I bless you, and once again I ask you: Are you prepared?

BECAUSE THE ENTIRE WORLD WILL SUFFER. I invite you in the time that remains to preach My Word to where I call you.

Remain in My peace.

Your Jesus.
