

**MESSAGE FROM OUR LORD JESUS CHRIST
TO HIS BELOVED DAUGHTER, LIGHT OF MARY
FEBRUARY 2, 2010**

Beloved children:

You beat in My Heart from which you are continually blessed.

Little children: this instant in which you live must be a reason for unity for all My children. **IT IS URGENT THAT YOU GATHER NEXT TO ME.** You are moving in a contradictory world in complete convulsion; where lack of affection, violence and scorn towards all that represents Me prevail, for evil has produced roots and is tying down humanity more every day through sin and pride.

I am Father of Love, I am infinite Mercy; but deaf ears do not hear Me, sin has blinded you, words are uttered to injure Me, hands rise up to cheer the false idols that are increasing among men who seek to satisfy their heart with mundane satisfactions, full of vices.

Time and time again, I will call you to return to the path of eternal life, of reconciliation, unity, charity, hope, faith; and you will attain this by accepting Me as King and Lord so that My Divine Light disperses the darkness in which the world lies in at this instant.

Children: do not continue to deny yourselves salvation, do not live in the darkness of sin which superabounds. You who pay heed to My calls, must mitigate the strength of sin, by multiplying your commitment in the name of all your brothers and sisters, by being true testimonies of those who live in Me.

Sickening sin offends all that has been created by My Father's Hand; man is indifferent to creation, and creation claims to the Creator's Hand. For so much, creation rebels against man, but man lets the warnings nature itself constantly gives pass by unnoticed, giving scientific justifications in order to leave off to the side all that My Mother and I have announced to you throughout time. At this present instant, My children cry because of nature's anguish, which desires that man, image and likeness of God, return to his Creator. But My own do not see, and each time you will give evil more and more power, until evil drives you to desperation.

All that has been created, groans with labor pains upon seeing humanity's destiny; and in that groaning, My children will suffer so much that they will live their own sin in their interior, feeling the soul tear before the offenses against Our House. Every human being will live the product of their own actions, as an act of My great Mercy; but even so, a great amount of those who are Mine will continue living their own sin.

The Light will come for all during a few moments, to free you from sin, but with My pain and that of My Mother, afterwards you will continue with greater strength in black sin, induced by the enemy that will control the weak and unbelieving minds.

I INVITE YOU TO GIVE YOURSELVES OVER TO THE LOVING ARMS OF MY MOTHER AND MINE, SO THAT SHE MAY LEAD YOU TO THE PROMISED LAND, LEAD YOU AND GUIDE YOU TO FAITH THAT MAINTAINS YOU LIKE STRONG COLUMNS WITHIN MY MYSTICAL BODY.

Today I call you to anoint the frames and the doors of the entrances of your homes while you pray the prayer to St. Michael and the "Magnificat," as a sign of presenting your homes and your families before My Father, and you are protected living in communion with Our Trinity. Thus I invite you to maintain the necessary provisions, which from now on you must keep in your homes.

Do not fear My beloved! Just as I fed My People with Mana brought down from Heaven by My Angels, so I will feed My People in spirit and body, in this time.

Turn to the Divine protection with the praying of the "Trisagium"

I love you and bless you, My dearly beloved People.

Your Jesus.
