

**MESSAGE FROM THE BLESSED VIRGIN MARY
TO HER BELOVED DAUGHTER LIGHT OF MARY
FEBRUARY 3, 2010**

Beloved children of My Immaculate Heart:

Remain faithful to My Son's calls.

A Mother never frightens Her children, but intercedes for them, protects them and alerts them so they are not lost. Thus this Mother announces to you all that you must know so that you do not fall into sin, but rather you maintain yourselves alert turning to the Divine Mercy.

Each one of you is a lamp that attending to My Son's calls and Mine, maintain the flame of the Divine Love over humanity; you are light in the midst of this humanity that is stunned by the diverse manifestations of sin, which keeps man living atrocious times that have surpassed Sodom and Gomorrah. It is because of this that I invite you to read about the end of these towns of sin in the Sacred Scriptures, so you reflect and do not leave the constant warnings that Heaven sends you by the wayside, not to frighten you, but with the hope that you change in behavior and action, and all that has raised sin be minimized by prayer and above all conversion.

A Mother does not lose hope, but takes advantage of every moment to go in deep in the heart, in the mind of Her own, because She does not wish any of Her children to be lost. Thus I do not desire that any of those who are Mine be lost and time and time again, as many times as necessary, I will call you to open your eyes, so that you are not deceived by satan who subtly disguises himself in a thousand ways so that you live in his clutches.

I cry out to the faithful, so they keep vigil, since at these moments prayer is infinitely necessary. Everyone must be an intercessor for his or her brother/sister; pray for those who do not pray, love My Son for all who do not love Him, and ask for compassion and mercy for every people and nation, for every man in the moments in which you are attacked by nature, in the moments in which you will have the blessing of seeing yourselves on the inside and in that way be able to beg for the Divine Mercy and return to the true path and give yourselves over into Paternal Hands and reject the malicious ploys of satan.

Pray permanently. I invite you again to initiate that Worldwide Chain of Prayer, which is infinitely necessary in these instants. Little children, use the means that My Son allows you in order to convoke this Chain of Prayer. My Faithful, be the ones who are that barrier of protective light that maintains the Divine gaze on the earth; be the ones who are that fishing net that obtains the largest catch, be the ones who are that balsam that alleviates the pains that sin causes in My Son's Heart.

Beloved: you have forgotten that My Son's Passion has not passed, but stays latent in every brother and sister that suffers, in every mistreated brother and sister, in every offended brother and sister, in every suffering human being. Do not forget that every man is fruit of My Son's Passion; that is why you have the duty of redoubling prayer, of not depriving yourselves of the Eucharist: YOU MUST BE A HOLY CHURCH.

Beloved of My Heart: do not let this call of this Mother go unnoticed, this Mother who keeps watch over Her own, and who remains alerting, crying out, gathering Her own in the face of the speed of the events, so they are not dispersed along the wrong path. Do not forget that the enemy attacks those who are Mine, seeks to snatch you away from Me, and wishes to mark you permanently, to keep you in his dominions. You the Faithful, do not allow yourselves to be marked by the lying beast, who hustles souls for money and power.

Trust in My Son's promises and in those that as Mother of all men I have brought to you by Divine blessing.

MY HAND WILL NEVER LEAVE YOU, BUT BE FAITHFUL AND DO NOT HESITATE, BE FAITHFUL, FOR THE AID OF HEAVEN WILL NOT BE MADE TO WAIT.

I love you, you remain in My Heart.

Mother Mary.
