

**MESSAGE FROM OUR LORD JESUS CHRIST
TO HIS BELOVED DAUGHTER, LIGHT OF MARY
FEBRUARY 16, 2010**

Beloved children:

I bless you. My Love for you is infinite, as My Mercy is infinite.

You are my beloved children, you are My Flock and I zealously shepherd My own. I gave Myself up on the Cross of Glory for each one of you, so that in the Cross you defeat evil.

You are My Treasure. I call you to be aware of the instant in which humanity is moving; I call you to give yourselves over trustingly to My protection, I call you to stay awake. I have confided to you all that is going to happen so that you are not bewildered when the hour arrives; I alert you so that you change, because soon you will see your internal "I" face to face, and at that moment you **WILL** be sorry for having rejected My Mother's advise.

Children: reflect on your life, repent and confess your sins, because you wander about wildly, dragged by the current of modernisms, which has even invaded My Church, confusing My people and denying the Word that I give you through My instruments, treating Me without respect and allowing you to be Christians without commitment.

Today I see you thirsty and give you My Blood; I see you hungry and give you My Body; I see you overwhelmed and have taken on My Cross your grief. Here I am waiting for you; here I am, Beggar of Love who knocks on the door of the conscience of His children so that they recognize themselves to be sinners and repent. **Humility My People, humility!**

In beginning this Lenten season, redouble prayer, turn to the Sacrament of Reconciliation, precious pearl that allows you to find true PEACE, **THE PEACE THAT THE WORLD DOES NOT GIVE!** Come to Me, come to Me; nourish yourselves from My Flesh and My Blood.

My Mother has announced to you throughout the world, across the ages, what **IS**, now, about to come. I do not call you by means of fear, but by LOVE. As I gave Myself up for you, so I will come with My Mercy to the interior of each one of you, and you will see your actions even when you do not want to see them; you will feel the offenses even when you do not want to feel them. It will be a **WARNING**, in the interior of the human being, you will be alone with Me. This is the Love of the King who does not want His own to be lost, and moves His plans forward.

I have entrusted My Word to you. Announce it to your brothers and sisters without fear. Today My People are a people of heroes, of the brave who give their life for Me. My People know that they fight against the mundane, My People are captive and must get up. That is why I will not leave you on your own, that is why I will come and those who have not believed, will be ashamed.

My People, maintain the faith, do not lose heart, for Your Jesus is with His own.

Remain in My peace, I bless you.

Your Jesus
