

**MESSAGE FROM THE BLESSED VIRGEN MARY  
TO HER BELOVED DAUGHTER LIGHT OF MARY  
FEBRUARY 24, 2010**

BELOVED PEOPLE; DEARLY BELOVED CHILDREN OF MY HEART:

Today I call you to remain united, in the unity of My Son's Love. Today I come once again to extend My Motherly Hand before each one of you, so that you allow Me to guide you towards My Son.

**I AM THE ARK OF THE NEW COVENANT.** I invite you today to board this Ark so that you allow yourselves to be led through safe waters. With sorrow I must tell you that many of My children ignore My calls and it is already raining, it is raining. That is why I call you again to board this Ark of the New Covenant. In Her you will find yourselves secure, you will find yourselves with strength to confront the difficult moments that are approaching.

I call you all to live in unity without dispersing, without taking other paths, because it is urgent that all My children form a wall fortified by love, so that it is indestructible. Each one of you is forming that wall, and it is urgent that it be raised quickly, because I need My faithful to unite, and as a single front defend themselves from the evil that prowls around mankind's every side.

Without you perceiving it, the evil one launches malicious ploys, like poisonous darts, to undermine little by little the spiritual foundation of each one of My children. That is why you must be conscious that each one of you forms part of the Mystic Body and that each one of you is important within the total work.

**Today, here I am, before you. Come, trustingly board this Ark  
that has been prepared to be a refuge for all the children  
who remain attentive to the calls of the Paternal House.**

Beloved of My Heart: how quickly the events that are about to come have accelerated! How quickly all that is written approaches! And how I see many of My children with deaf ears, with their eyes clouded by all the mundane that prowls around them, because they have fabricated false idols, and these reign in their hearts!

But you, valiant children, faithful of My Heart, unite, pray, so that maintaining one voice of adoration to the Father, you be the defense of those who still walk not knowing which path to take. Be the encouragement of those who at this moment are weakening because of whatever situation. Be the eyes, be the ears, be the voice, the echo of My calls.

We have already alerted you insistently about the necessity of checking your life, and taking advantage of this time to correct your path and behavior.

Little children: it is important that you find peace in the Sacrament of Reconciliation; it is urgent that you be those lamps that remain lit without going out, without fading. You must learn to discern, and at this moment, My children's enemy is attacking them to disperse them, because he knows that I have a great battalion of children who, with the weapon of love, warn their brothers and sisters time and time again, about the urgency to encounter their Father again.

I love you, children; I bless you.

**I bless you because this Mother comes as the Ark of the New Covenant,  
so that you come inside Me, and in Me maintain yourselves protected  
and remain faithful to My Son.**

I bless you.

Remain in My Ark, remain in My Heart, filled with My Love.

Mother Mary.
