

**MESSAGE FROM THE BLESSED VIRGEN MARY  
TO HER BELOVED DAUGHTER LIGHT OF MARY  
MARCH 3, 2010**

Beloved children:

Today I call you to LOVE, to the observance of LOVE towards your fellow man. Today in which you fearfully look upon the suffering in various nations of the world, and with anxiety and anguish, you come closer to see the insistent calls of the Paternal House, eager to calm your thoughts wishing to know what was of no interest yesterday. **Today I ask you, do not be indifferent to the pain of others.**

There is pain, and it will continue to spread itself quickly throughout various countries; they will see the signs of the times, from the most powerful to the smallest.

Beloved of My Heart: pain spreads like a shadow over humanity, day is no longer day, night is not night. The human heart has tinged itself with egoism and will turn against itself.

**Children, prepare yourselves, convert.** All that My Son and this Mother have announced to you will happen in the blink of an eye. **“LENT IS A TIME OF PURIFICATION,” DO NOT FORGET IT.** I do not frighten you, I warn you so that you remain awake, so that you overcome temptation.

Children: turn speedily to My Son, do not wait for the events that have been announced to cry out for Mercy. You must be part of that **WALL OF PRAYER** that rises to the Throne of the Most Holy Trinity, interceding for humanity.

Man must change, egoism must be eradicated from the face of the earth. In moments of tragedy, human beings' egoism shows through in all of its facets, pain does not soften hearts, on the contrary it sinks them more, everyone fights for their own interests without sharing with their brother and sister.

My own walk from tragedy to tragedy, without softening their feelings, until they see themselves face to face with their conscience; then there will be lamentation, repentance and conversion.

Humanity's behavior has accelerated the fulfillment of the prophecies and what was at the door, is now inside; sin exceeded the Cup.

Beloved children of My Heart: pray for one another without becoming discouraged, remain united.

I love you, children.

Mother Mary
