

**MESSAGE FROM THE BLESSED VIRGEN MARY  
TO HER BELOVED DAUGHTER LIGHT OF MARY  
MARCH 4, 2010**

Beloved children:

**Until when, humanity, will you continue to be sunken flagellating yourself?  
Until when will you turn your gaze to your Creator?  
Until when will you repent and ask for forgiveness?**

You walk blind My beloved children. My Son and I have come very insistently to cry out to you for a **STOP ON THE PATH**, to ask for **LOVE** among you, to solicit **REPENTANCE** from you; time and time again you turn your back to Us. The scourges that loom over the face of the Earth make you turn your gaze for a few moments; you show your solidarity for a few days and then forget about the pain of others. When everything returns to a state of calm, you continue to sin. I have called you to take My Hand so I can lighten your walking, but you refuse time and time again.

Today I call you again to **CHANGE**; I call you to repent, I call you to be love, I call you to send blessings to all of humanity in general. I call you to **BLESS** Creation; each blessing is a magnet that attracts goodness towards humanity.

**PRAY** very insistently for the conversion of all your brothers and sisters.  
**PRAY** so that everything be showered with love.

Children: nature has been destroyed, impoverished, despised; all that God the Father gave to man, man has despised. The human heart has become hardened; I have called you with love, but I am not heard.

**THE EARTH TURNS AT THE SPEED OF SIN, MAN IS MARKING HIS FUTURE.**

Nature's attacks will continue precipitating themselves one after another, and they are nothing more than the preamble of the proximity of the **WARNING**; the Warning will be the means by which man will make a stop in his walking.

Beloved: all that has been announced, has been accelerated. Remain attentive, man will fight against man himself.

Here I am before each one of you, inviting you to **CONVERSION**.

Little children, do not ignore My calls.

Remain in My peace and love.

Mother Mary.
