

**MESSAGE FROM THE BLESSED VIRGEN MARY
TO HER BELOVED DAUGHTER LIGHT OF MARY
MARCH 8, 2010**

Beloved children of My Heart:

Each one of you is special to Me, each one of you beats in My Heart.

I call you to live in unity, to keep firm in faith, **IMMOVABLE**. My Words are not in vain; they are born from My Son's Merciful Love for each one of you, before the **URGENCY** of this present instant.

Little by little the Cup spills over humanity, each drop is an urgent call to conversion, **but My Children remain submersed in the mundane**. As a Mother, I call you to **CONVERSION**, to **PRAYER**, in these moments in which the drops of the tribulation spill over humanity.

Russia: return to your Lord!

There will be tribulation in Israel.

Bolivia: look at Me!

The Eagle that extends its wings through all the earth from its throne, will weep. It is time for **REPENTANCE**, it is time for **PENANCE**. The water will over flood its banks, just as sin has spilled over. Men of science alert, they call man's attention, My Son and I warn you; and **WE ARE IGNORED**. Wonders come from God, they are not in the hands of man. "OH HUMANITY, YOU MARVEL AT YOURSELF".

Children: I call you to live in **LOVE**, in **HOLINESS**. The hour is approaching vertiginously, My Son is crucified time and time again, the Cross calls the cross. You seek salvation through the wrong paths, you cannot buy salvation with economic means; you find salvation in the Cross where you are born and where glory is found.

Children: do not fear your brothers or sisters so much; fear yourselves, who voluntarily give yourselves over into enemy hands.

Beloved: once again I call you to **BLESS** your homes, but above all to bless yourselves with a life of sanctity.

LEAVE SIN BEHIND AND WALK HAND IN HAND WITH ME TO ETERNAL LIFE!

Do not enslave yourselves, **FREE YOURSELVES**, you belong to the Kingdom of God; that is why **I COME WITH MY ANGELS TO SEAL YOU**. This Mother warns you, because of love. **I do not want My own to be lost; the crucible comes for humanity, before the warning brings you face to face with yourselves.**

**UNDERSTAND, MY BELOVED,
THAT TIME IS NO LONGER TIME,
BUT QUICKLY PRECIPITATES ITSELF
AND BRINGS WITH IT ALL THAT IS ANNOUNCED.**

Do not fear, trust that the fidelity towards the Paternal House will bring moments of glory for the Holy People.

The reward for the just is the splendor of the new day.

I love you, children.

Mother Mary

COMMENTARY OF THE INSTRUMENT

TODAY I SEE HOW OUR MOTHER CALLS HER PEOPLE WITH LOVE; with an **URGENCY** that makes our heart shake, but at the same time impels us to feel courage to labor for the People of God without weakening. Even though in the eyes of the world we appear to be crazy, yes we are, but we know that it is “a Divine craziness.”

She calls us with this tenderness that bends us, for love of Her Son. As Mother she channels us and gives us the guidelines to find the means. She has called us in the past to pray and meditate the Holy Rosary and the Trisagium, since they deliver us from earthquakes, plagues and more. Today we again feel that outcry of the Mother who asks her children to take consciousness; of the Mother that knows that Her children are going to suffer and calls time and time again. Inclusively she warns us with such insistence, that we cannot cease to see the imminence and the sequence that the Word of the Mother has with the events.

A MOTHER DOES NOT FRIGHTEN, SHE ALERTS THOSE WHO ARE HERS, because She loves them and does not want anyone to be lost. I feel that she tells us: I come to give the light that gestated in My Womb: the Divine Mercy. The Mother fights against the forces of evil, which personified in so much sin, in so much idolatry, subliminally enter the minds of men, and above all of the youth, who do not want to know of pain, but on the contrary seek to hide it in debauchery and false idols. She makes us see the reality of our young people, who allow themselves to be impressed by false doctrines and false idols that carry them away like waves, that move them like the wind according to their whim. It is a crude reality.

OUR MOTHER TRANSMITS TO US WHAT WE DO NOT SEE: The Cup is spilling little by little over mankind, drop by drop. **The one who has ears let him hear, the one who is blind let him see, the one who does not want to evangelize let him listen in the Name of the Lord, let the faithful People raise their voice, because every drop that spills over the earth is a scourge for humanity**; today in one country, tomorrow in another. Time is no longer time, we live in God’s present, and this present calls us to conversion, it calls us to **WAKE UP**.

Not only those elevated to the alters can intercede for us; we are the People of God and we are priests, prophets and kings, and everyone is called to be an intercessor for their brothers and sisters. We do not have to sink in fear, in anguish, but on the contrary: bend knees, and utilize the gift of the word with all of its width, length, height and depth, since **THE WORD HAS POWER**. Let us use it to raise up LOVE.

Our Mother speaks to us of Russia, and of tribulation, She calls us very surreptitiously to reflect on the power of this country that little by little spreads its dominion through the earth. And then, she makes reference to Israel, land of blessing but at the same time of division. She warned us previously about South America, as well as about the Old Continent; she warns us so that God does not find us sleeping, but so that we remain in a continuing act of intercession for our fellow man.

Mother Mary speaks to us of the eagle that extends its wings from its throne, and we know whom the eagle represents: the United States, and she tells us that the United States will weep.

Perhaps it is part of the United States' own purification. It will weep in the face of the betrayal of those who swore loyalty to it and also because of nature. Let us keep in mind that in this word of today She warns us of two powers, and about Bolivia, and She has warned us about Central America.

Brothers and sisters: the call of our Mother painfully allows us to see the urgency of a **RADICAL AND TOTAL CHANGE IN OUR WAY OF LIVING AND OF REACTING** in the face of all obstacle that presents itself before us. The man that had time to "postpone God," must no longer exist! The man of today is the one who has the responsibility of responding with **bravery, of taking other priorities, which are the spiritual ones. I feel that it is the Hour of Mercy as well, because She tells us: I COME TO SEAL THOSE WHO ARE MINE, AND SHE SEALS US WITH HER LOVE.**

I would like to shout aloud the urgency of a radical and total change of the current man. We were walking in lethargy, and now that spiritual lethargy must disappear, it must disappear. We are not gods, God is our Father, and the Cup has been spilled by our own hands. **EVERYONE MUST BE CONSCIOUS OF WHAT WE ARE LIVING, OF THE IMMINENT PROMPTITUDE OF THE WARNING.** We have to offer ourselves as repairing souls, for our brothers and sisters. We have a commitment with one another, and we must give ourselves for our brothers and sisters.

This is not a time to fear the Cross, it is a time to fuse ourselves in it and find the sense in our existence; let ourselves be sensitized, let ourselves be molded, let ourselves be sculpted, let ourselves be transformed, and find in the Cross the essence of glory. Let us do it, before the hour arrives, not out of fear, but out of love for HE who created us.

The splendor of the new day is the reward for the just. What love of the Mother, what sublime words, how these words of profound peace beautify our souls!

But in order to maintain ourselves apt to fulfill this calling, we must persevere and alert one another, and as Mother Mary tells us: let us not grow weary, for the journey is just beginning. We are witnesses of God's love for us, we are His People and this People is being nourished, as in the desert, by manna. Yes! The manna of Mother Mary's love that is given to us every day to keep us awake and encouraged by the Divine protection, if we follow through.

By all that our Mother makes known to us, we know that not only has the water of sin overflowed the Cup, but it is also spilling over and will spill over various countries, and because of it they will suffer. The Cross calls the cross, this has great significance: more tragedy for the nations. She calls us again to fear ourselves with our instabilities, our doubts and infidelities; She calls us to love God. She calls us to consecrate ourselves the Sacred Hearts, to be ONE, without divisions, without rivalries, because this instant is for us to help each other, without allowing those who do not believe to invade our heart with poisonous darts.

Yes, we are a pilgrim People, but with faith; guided by Heaven in these moments of tribulation in which we are at the gates of the great **WARNING.**

And She tells us: DO NOT FEAR, I AM HERE, MY SON IS HERE, but convert, not out of fear, because I do not call you by fear, rather so that knowing the truth, you make a stop on the path. I brought the events to your attention, and the test will be harder. And the Mother concludes: “do not fear: the splendor of the new day is the reward for the just.”

And perhaps as a reflection: **LET US NOT CONVERT OUT OF FEAR BUT FOR LOVE,** for that love that we will not find on earth, but that transcends and will give us the strength, the courage to pass the tests.

LET US BE FIRM, LET US WORK AT ONE HUNDRED PERCENT; WE WERE BORN ON A CROSS OF GLORY: LET US UNITE IN IT.

Mother of mine, all that I have, has been given to me by your Son's love,
All that I toil, is for love of Your Son.
You, beloved Mother, ask Him not to look at what I give,
because my sins stand out more than my merits.

Mother: ask Your Son to look upon us with compassion,
in this moment in which we are going to be examined in love.
