

**MESSAGE FROM OUR LORD JESUS CHRIST  
TO HIS BELOVED DAUGHTER LIGHT OF MARY  
MARCH 11, 2010**

My beloved:

**TODAY I COME TO SEEK YOU!**

I come to call My People, so that they gather in Me and listen with attention to My call.

Each one of you is My great treasure, and I look after you with great care. Each one of you is a precious pearl and remains in My Hands.

**MY LOVE, MY INFINITE MERCY CLAIMS YOU.**

This is the reason for which My House is sending these constant calls, which will not cease even in the midst of the Great Tribulation, I WILL NOT ABANDON MY PEOPLE. As Father, I have guided and alerted My own at all times so that they prepare themselves.

I have called you to prepare yourselves spiritually, turning promptly to the Sacrament of Reconciliation, repenting sincerely, with firm intention of making amends; I have called you to change your behavior, to be loving and charitable, not only with your fellow man, but first with yourselves. Children, you cannot give what you do not have.

**MY INFINITE LOVE FOR MY OWN  
WILL BEND MAN'S PRIDE AT THE LAST MOMENT.**

This is how the human heart is: it does not listen until it has suffered most deeply.

I am Love and giver of freedom. It will be freedom that leads those who are Mine to meet Me again by the path of suffering; suffering that I have not brought down upon you, but suffering that you yourselves are spilling upon the earth. You spill the Cup on yourselves: you deny My House, you deny sin, you deny My Cross, you deny My Mother, you deny life itself. You act without thinking that an action produces a consequence, and this consequence is now turning toward you.

I see the scourges that are before humanity and warn you time and time again, and what do I receive in return? Irony, deafness, ridicule, denial even on the part of My representatives, who contaminated by interests, do not see reality.

Beloved of Mine: **ALREADY YOU ARE LIVING NOT MOMENTS, BUT PREPARATORY INSTANTS TO THE ENCOUNTER WITH YOUR OWN CONSCIENCE.** My Mother has warned you about this **MERCIFUL ACT OF MY HOUSE: "THE WARNING."** The conscience of those who are Mine will be touched from its innermost depths, and the proximity of this has shortened time, as it has already been indicated to you.

They make fun of My instruments like in the Old Testament. They ridicule, as they made fun of Me and My faithful. So it happens, so it will happen. When you see with your own eyes what has been announced about you, it will already be too late, not for repentance, but to stop what you have brought upon yourselves: the Great Tribulation, debauchery, darkness, the storm, plague, suffering, cruelty and war.

With pain I see My children be prey of evil, the human mind and heart are blinded by evil. There is suffering on the earth, the sequence of nature's attacks is preparing you, and in this process, man will turn against man and will worsen the sufferings that have already begun.

**TODAY I COME TO CALL MY PEOPLE TO INTENSIFY  
PRAYER, COMMITMENT AND LOVE.**

I come this Lent to call to you to unbounded commitment, like you have never done before.

**THE MOMENT IS PRESSING!**

I love you, My love does not change.

I gave Myself up for you, and so I continue to give Myself up in the present act.

Remain in My Mercy.

Your Jesus.

## THE INSTRUMENT'S COMMENTARY

Today our beloved Jesus **CRIES OUT TO HIS PEOPLE**. This destroys the heart...  
**GOD CRYING OUT TO HIS OWN!**

That is how infinite Love is; it does not tire, it does not stop. As Our Lord tells us: He is ever present before us. The Cross, fruit of Love, is ever present before each one of us. Our Beloved's Merciful gift of Himself was not in the past; it is infinite, it transcends time, because time is of His property. He came to redeem us and this Redemption was not for a time but for all time, for eternity. For this reason, I cannot understand how this **HISTORY OF GOD'S INFINITE LOVE TOWARDS US** is denied, denying that He warns His People through instruments, Him being the master of everything and we His children.

I do not see another reason other than not wanting to face the reality that we are sinners and that we have refused to listen to Heaven's insistent calls. This has unchained all the events that we are living NOW, and that we will continue to live to our regret.

We will meet with the Creator again by the path of suffering; not because God is a punisher, but because He has given us the **BREAD OF HIS WORD**, and we have rejected it. He has given us the **MANNA OF HIS LOVE** and we have despised it. He has given us **THE ARC OF SALVATION**, and we have ridiculed, we have ridiculed the calls of Our Blessed Mother.

Today Our Lord is direct, He calls us to see reality as it is. Nature's attacks loom over us day after day, they are announced and happen with promptitude. We see with horror how the slaughter of innocents shakes our heart, and this because of man's rejection of God.

Today Our Beloved tells us that His representatives deny the prophecies because they do not want to have the Churches empty. Man does not want to hear his sad reality and fears suffering; but even without wanting to, he will face it as a consequence of his sin.

He speaks to us openly so we do not doubt. He speaks to us about the **WARNING**; that is why He invited all of God's children to know, to read about the **WARNING IN GARABANDAL, SPAIN**; not so that fear invades you, but so that you are saved, because it torments me that souls should be lost in the eternal fire.

And as Our Lord tells us today: when we are living what Heaven has announced to us, it will be too late, not for the Divine Mercy, but for stopping what we ourselves have generated. We spilled the Cup, because we have not believed, we have not obeyed. Humanity drank the abomination; we drank the cup that was in the hands of the angel and we are spilling it over ourselves.

What is happening with humanity, that it does not obey? They ridiculed Noah, and when they wanted to board the Arc the door was already closed. Today Our Lord has brought us an **ARC OF THE NEW COVENANT**; the Lord is making an agreement again with His People, so that

His children are saved; He gives us again, like at the foot of the Cross, His Blessed Mother to guide us and so we accept the call.

Jesus tells us: **My Cross is ever present, My entire giving of Myself is ever present.** Heaven exists, I exist; I come for My People. My Love is infinite; why is it that I cannot be ever present? **IF I AM GOD, AND I HAVE NO END. IF EVERYTHING IS IN MY HANDS, HOW IS IT THAT YOU DENY ME?**

We must open our eyes. Every one of us is a cord of this great instrument that is humanity; let us allow the GREAT CREATOR to tune us, and let us allow the production of the great melody in which all, all of us are participants.

**LET US PRAY BROTHERS AND SISTERS, LET US PRAY, FOR OUR PRAYER IS INFINITE; LET US HAVE THE SECURITY THAT IN GOD WE CAN OVERCOME ANYTHING AND OUR PRAYERS ARE MULTIPLIED FOR THOSE WHO DO NOT BELIEVE.**

“Oh My Jesus: forgive us our sins, save us from the fires  
Of hell, lead all souls to Heaven, especially those  
In most need of Your Mercy.”

How is it that God, who warns us, Our Mother who speaks to us, are doubted? How is it that we do not see that the plague has invaded man's mind, leprosy has consumed the human mind, thoughts and heart? The leprosy of incredulity is succeeding in making man despise his fellow man, to isolate himself and live fighting only for himself, without caring about his fellow men. These are the plagues that invade humanity. And what about the plagues and diseases of the body that man does not know nor will know how to cure?

Let us heed the calls, let us heed the calls; because the Lord has told us that in the moment of tribulation He will not abandon us. Let us take advantage of this time in which we can share the calls of Heaven through the media.

“The Lord bless you and keep you;  
The Lord make His Face shine upon you, and be gracious to you;  
The Lord look upon you and give you peace.”  
Numbers 6: 24-26
