

**MESSAGE FROM OUR LORD JESUS CHIRST
TO HIS BELOVED DAUGHTER, LIGHT OF MARY.
MARCH 17, 2010**

My Beloved People:

I love you, I bless you, I call you again to **CONVERSION**, I call you again to **REPENT** from sin and to **RETURN** to My Heart. It is **URGENT** that you examine your life, it is **URGENT** that you confess your sins, it is **URGENT** that you repent whole-heartedly and return to Me.

I have always alerted My People. In every moment I have alerted you before the events have come one after the other. And this **PRESENT INSTANT** will be the same. I have marked the route for you, and you have gone off course. A great number of My children refuse to listen to My Word and that of My Mother when we have alerted you about the coming events. Have I perhaps not warned throughout human history when sin has exceeded the cup and man has spilled over himself his own purification? This is not another time, it is not different, **SIN HAS EXCEEDED THE CUP AND PURIFICATION IS URGENT AND IMMINENT.**

I DO NOT DESIRE THAT MORE OF MY CHILDREN BE LOST.

- Why is it that My People refuse to listen to My call and that of My Mother?
- Do you believe yourselves to be different? Do you believe yourselves to be gods, do you believe yourselves to be untouchable and that sin can continue growing by leaps and bounds without My loving Hand stopping it?
- Why do you not want to listen to My calls?
- Why, alluding to My infinite Love and My Mercy, do you deny My Word that calls you to conversion before the entirety of The Purification comes upon you?
- Why is it that you do not pay attention to the succession of natural events that sin attracts upon humanity?

My People: humanity will live moments of anguish **SOON**. Every nation will be purified. I do not want to lose more children. Sin has reached its maximum expression; you deny Me constantly, ears are deaf and sight has become blinded by the mundane, by the temporary, by the finite.

My beloved People: so much sin has been spilled and is spilled over My Creation, that My Creation has already begged Me to purify itself and I have listened. So heed My Word, I am not an unmerciful Father. It is My Mercy that wants to rescue the greatest number of My children, that has acceded to the request of all of Creation, which wishes to return to Me and fulfill the purpose for which it was created.

My beloved People: **I LOVE YOU, I LOVE YOU INFINITELY, I LOVE YOU INFINITELY**; and today I call you to place, in a visible place of your home, My Cross. Do not fear, do not be ashamed of being recognized, **because I love you and recognize you continually**. Today I call you again to anoint the doors of your homes, **for the plague is approaching humanity**.

My Beloved: **PURIFICATION IS IMMINENT**. The events that you already know will follow one after another. Do not deny My Word hiding behind in My Love; because if well I do not punish and I Am Love, I do not desire that My People continue in perdition, submerged in sin, without repenting.

Beloved of My Heart: I Am Love, My Love appeals to you and My People appeal to Me. That is why attentive to that clamor of those who are Mine, to that clamor of My Creation, I come again to announce that you will be purified. Sin itself has exceeded all limit and you will purify yourselves because My Love appeals to you.

Do not forget that My Mercy is infinite and every repentant sinner is welcomed into My Heart with joy. Do not forget that you have a Mother that loves you and intercedes constantly for you. Take My Mother's Hand. I have prepared an **ARC** for you so that you enter Her and are led toward Me. I continually give you My Word to guide you with love. Do not refuse anymore children, do not refuse anymore, because refusal will bring more suffering to you.

I FOREWARN YOU BECAUSE OF MY LOVE, I FOREWARN YOU BECAUSE YOU ARE MY CHILDREN AND I APPEAL TO YOU; DO NOT CAUSE YOURSELVES MORE PAIN, BEING DEAF TO MY CALLS.

Today I bring you My Mercy once again; it is before you, **TAKE ADVANTAGE OF IT BECAUSE SOON IT WILL BE DARK**. The groans, the pain, will be heard through all the world. My Creation will weep at seeing man suffer, but My Creation appeals for purification.

LISTEN TO MY WORD;

IT IS WORD OF LOVE,

IT IS MY WORD.

Remain in My peace,

I love you,

Your Jesus
