

**MESSAGE FROM OUR LORD JESUS CHRIST
TO HIS BELOVED DAUGHTER, LIGHT OF MARY.
APRIL 2, 2010, 2:30 AM**

My People:

HUMAN VOICES ASCEND ON HIGH THAT CRY:

CRUCIFY HIM, YES, CRUCIFY HIM!

And I am crucified in the slaughter of innocents, in avarice, in the lack of faith, ingratitude, insult. I am crucified with abortion, in lust, in lies, in the trafficking of human beings, in the hands that consecrate Me in the state of sin. I am crucified in the hungry one, in the one who dies unjustly, in science that wants to equal itself to Me. I am crucified in the cinema that ridicules Me, in the technological advancements that rob the innocence of childhood and cause them to succumb to a fanciful life, until they believe it to be reality: crucified in the youth induced to every kind of vices, and more: those of the flesh. The false idols have seized the youth who do not recognize Me, and derailed, emphasize their ideals in the way of life of those who give them shameful examples; I am crucified in the pagan music that launches insults against Me. I am crucified in the lies that the powerful governors hide, and they are preparing an ambush against My Church, all with an eagerness for power, for power. I am crucified..... I am crucified...

MY PEOPLE WALK, BUT WITHOUT A COURSE.

The one who comes to launch himself upon My People is at the door, to take power through lies and deceit: "THE ANTICHRIST." Scarcity will lead those who live with weak faith to take the wrong path. They will sell themselves and they will suffer marking their body for a little bread that will not satisfy hunger; on the contrary, it will penetrate entrails without finding relief.

You live difficult times in which the wheat and weeds will be confused, and those sent by the evil one will want to lead those who are Mine by wrong paths. They will rise up with false prophets to cause confusion, denying My faithful instruments, so they themselves rise up through lies. You My beloved, remain alert before those who proclaim false doctrines, announcing salvation.

BE ASTUTE, DISCERN. All that comes forth from My House, brings a union of souls, brings charity; it does not bring modernisms, it brings the seal of My Will and the good of all.

The days of darkness are coming to the world, in which the soul will feel itself to be without My Presence. It does not matter if it is day or night in another hemisphere, I will bring a great Light from Heaven that will illuminate those who sleep at that moment, so that they wake up, and everyone live at the same time all that is written about the Warning.

Eternal happiness is not bought in a test tube; it is bought with suffering, commitment, with faith, with love, with gratitude, with union with My House and My Mother, with faith.

A people that walks, and its freedom leads it to find itself face to face with sin, and they do not recognize it because they are so close to it; it is...a people with a lost heart, it is a people that must be purified, so that souls are saved.

If a child asks Me, I give to them. If a child turns away, I wait. Only that time is no longer time. Soon the cases of possessed, of those who refuse life, of unbelievers will proliferate. Soon you will live moments of long confusion, of unforgiveness. But I must also tell you that the one who prepares himself spiritually will be elevated to the path of Peace. He will find himself strengthened to fight against the abundance of satan's followers, who will increase and increase and soon, very soon, the one who will raise up a false doctrine will appear; and with the bad behavior of some who have infiltrated the center of My Church, they will debilitate it before humanity. My faithful will feel alone and will have to profess their faith in silence. My temples will be profaned.

Children: continue to nourish yourselves with My Body and My Blood, so that faith does not deteriorate and My Spirit strengthens and illuminates you; so that true charity and humility increases among My People, and you do not turn away from Me.

Darkness will bring the vertiginous elevation of sin, and at the same time will confront man with his conscience, that he will not find rest in any place, because everything he sees, will speak to him of My Love, and his lack of correspondence, his ingratitude, his bad behavior, it will pierce his conscience.

I AM A GOOD FATHER, I LOVE MY OWN, I SUFFER BEFORE THE FACE OF THE IMMINENT. FOR THAT REASON I AM HERE SUPPLICATING FOR A LITTLE LOVE.

Do not fear, My little ones. I am with each one of you; I will maintain you, I will nourish you. As in the past I fed My own, so today nourishment will come from on high, so that you resist. My Mother with Her Angels guards you step by step. Continue to be those faithful for whom I will come.

MY PEOPLE: REMAIN FAITHFUL, DO NOT DESPAIR.

Why do you fear, you who remain in Me, if I have promised to protect you?

Remain in My Love.

Your Jesus.

**THE INSTRUMENT'S COMMENTARY
ON THE MESSAGE FROM OUR LORD JESUS CHRIST
April 2, 2010, 2:30 AM**

Brothers and Sisters:

Today our Beloved presents to us a very ample reality of the great facets of sin and enumerated some of the sins that cause Him most pain.

He takes us quickly to an ample route. If crude, but real, of that with which He is most offended. In the past they cried: crucify Him! The same is happening now: They cry in a loud voice; crucify Him!, with so much sin that is committed second to second, and it is increasing and increasing without even batting an eyelash, its magnitude astonishing us.

The music our youth sings, is no longer of praise, but are blasphemies that rise to crucify the Beloved, misleading by paths of dishonor, of shame, of folly, that they so reduce man.

He alerts us about the antichrist and preaches to us of his actions against the Church, so that he does not find us sleeping, but even so, upon seeing him and the miracles he will perform, many brothers and sisters will follow him and give themselves over, marking themselves with 666, thus being marked in body and soul. We are warned about the days of confusion that are coming soon and about the proliferation of false prophets. At the same time, He clarifies a point about the warning. He tells us, that the light will come from on high, and that the whole world will enter a great light, so that we all live the warning around the world at the same time.

Our Beloved Jesus tells us not to fear; that He will always be with us, that He will not leave us, because He is our Father and we are His children. But at the same time He calls us to prepare ourselves, and for this we must know His Word. Take courage to first fight against ourselves, and then with all those who want to surround us so that we do not fall into the great sin of the end times: "to deny God."

**IT IS THE CRY OF THE FATHER WHO SEEKS HIS FLOCK TO STRENGTHEN IT,
AND IT DOES NOT DESPAIR.**

It is Jesus' very Heart that sighs for all His children, but above all for those who do not love Him. Let us have courage, brothers and sisters; for the Lord gives us that which is true. Every victory costs, but triumph is the culmination of the true christian.

Let us live to Love God. He is before us today to soften our heart.

Lord of Sorrows: You who sees the bottomless,
send Your Angels to move the conscience
of those who stagger before the tests.
You who are God, hold the oh so fragile humanity,
so that loving You, we rise,
and soon find fullness.
You are Love, and so I feel it:
the Divine Love that shapes in the soul indescribable happiness
that man does not give and that descends from You.

**MAN OF SORROWS, TOMORROW YOU WILL BE KING,
AND ALL WILL SEE YOUR INFINITE POWER!**

Come quickly, for we are waiting for You!
