

**THE INSTRUMENT'S COMMENTARY
ON THE MESSAGE FROM OUR LORD JESUS CHRIST
APRIL 3, 2010**

Brothers and Sisters:

AN OUTCRY FROM OUR LORD.

Our Lord's Heart, fountain of permanent Mercy, calls us once again to drink from that Spring of DIVINE LOVE. Utopia for some, reality for us the believers.

This is the outcry of Heaven itself that with subduing force calls us at this pressing moment to react and return to the path of good. Man, corrupted by sin, has allowed the flesh to take first place in his life, and the flesh demands more each time; in this manner sin grows in leaps and bounds, as Our Lord tells us today.

Man no longer knows how to discern, rather he walks where the majority walks, going farther away from God every day. Man's mind is overloaded with sin; from there comes disobedience, root of all evils. If the path is already hard for those who wish to live more devoted to christian values, mankind's foolishness has made the cross each one carries heavier.

I feel pain, unease, shame, sadness, upon hearing Our Lord say: "UNTIL PAIN TOUCHES YOU, YOU WILL NOT BEND." He has enumerated to us the continents and some nations in particular, like a few days ago He asked us to pray for Mexico, Nicaragua, Costa Rica, San Francisco-California, Russia and some others; today He calls us to pray for Germany. Because death, suffering, hunger, calamities are traveling throughout the entire world and we do not want to open our eyes, or hear...

**I SEE THE EARTH AS AN ENORMOUS PRESSURE COOKER
THAT IS ABOUT TO EXPLODE.**

The Lord is Love and Mercy, and that is why He emphasizes that everything is being fulfilled as He has announced to us. We are rational beings that have debased ourselves to the irrational; egoism leads each human being causing this disintegration, this confusion in which we presently live. Egoism divides, but it is strange; at this moment, egoism has created a race that does not want to know about God or about the Divine Love, but that nourishes itself from despicable actions, totally exposing man's feelings to sinking and reducing themselves.

**UNTIL ALL MEN, IN COMMUNITY, SEEK GOD'S WILL; UNTIL THEN, WE WILL
NOT BE VINDICATED.
WE WILL HAVE TO SUFFER FOR THIS BECAUSE OF OUR FREE WILL.**

God willing that this call of Our Lord finds fertile hearts that desire to pray for those who do not pray, make reparation and love God for those who do not love Him.

Amen.
