

**MESSAGE FROM THE BLESSED VIRGEN MARY  
TO HER BELOVED DAUGHTER LIGHT OF MARY.  
APRIL 8, 2020**

Little children of My Heart:

**EACH ONE OF YOU IS A REFLECTION OF MY SON.**

I see My Son's love palpitating and moving in each of you. My Son's commitment is impregnated in each of you.

I call you to conversion, because the Cross is the fruit of the DIVINE LOVE and it must attract you to be different from the worldly, which is atrocious, sinful, contradictory, deceitful, ungrateful, disobedient, egotistical. I call you because I love you, you are Mine; I received you with love, I keep all of you in My Heart, all of you.

The earth has grown old and wants to renew itself. Grown old because of sin, which has caused it to rotate more quickly. Grown old before mankind that has led it to suffer, because it has devastated nature. If you as human beings, were subjected everyday to constant tension, suffering, to physical mockery, to constant illnesses, your lifespan would be very short. This is what has happened to the earth. Man has abused of the goodness that God the Father gave him in all that was created for his wellbeing. Today the earth is aged. Tired, nature desperately seeks to find itself again, to renew itself. It seeks the Love that created it. It seeks its God. It constantly groans, and in each groan that rises to the heavens, man suffers its attacks.

It is not easy for a Mother to tell Her children that suffering not only watches you, but that it is upon you. Suffering is on the earth, and each day will be a wail; one day in one place, another day in another, until suffering is no longer suffering, but a generalized weeping. This will be a product of finding yourselves face to face with the sins you have committed. This moment is near, more than you imagine. The WARNING will come to show you the ingratitude committed by each one of you, the ingratitude committed against everything God the Father has given you for the good of man, the ingratitude committed by those who say they do good and have dedicated their life to take advantage of those who are good. All will suffer, all will see inside themselves; you will live the true loneliness unknown by every man, since whoever says they live in solitude does not know true solitude, which is to live without the Divine Breath.

**BELOVED, CONVERSION IS URGENT, THE DESIRE TO DO GOOD.**

The earth will move quickly.

Water will fall upon it.

The sun will come so near that you will have to hide from it.

**OH CHILDREN, WHY DO YOU REFUSE TO WAKE UP?**

It is not easy for a Mother to prepare Her children, but it is more painful to see how you are lost if not warned. Return to My Son, not out of fear but because you have made the Hand of Divine Justice descend upon yourselves. Sin has found its satisfactions and now seeks new forms.

An event will surprise humanity. PRAY! PRAY!

Africa: will suffer, will suffer!

Ethiopia: pray!

Guatemala: fall on your knees!

El Salvador: intensify prayer!

**MANKIND: I URGE YOU TO OFFER THE HOLY  
ROSARY!**

Trust in My calls, they are not to frighten you; they are the calls of a Mother that suffers for Her children.

**PRAY FOR THE CHURCH AS AN INSTITUTION.**

I love you and bless you.

Mother Mary.
