

**MESSAGE FROM THE BLESSED VIRGEN MARY
TO HER BELOVED DAUGHTER LIGHT OF MARY
APRIL 10, 2010**

Beloved children:

**YOU ARE MY TREASURE, I LOVE YOU.
YOU ARE MY CHILDREN, I KEEP YOU IN MY IMMACULATE HEART.**

PURITY MUST RETURN TO MAN.

Submerge yourselves in My Son's Mercy. In this instant, so pressing for all of mankind, it is necessary that you turn to the Divine Mercy, inexhaustible source of forgiveness for all those who repent.

Convert soon, before the wailing is stronger than the voice of supplication. Convert before every man looks at himself and sees his behavior as if in a mirror that does not disguise anything, that does not hide anything. Convert before each one of you sees yourselves before his heaven or his own harmful behavior.

Little children: the lack of correspondence towards all that God the Father has given man will bring more destruction. The sun star will cease to be so supportive of man, its vibration will be a manifestation that will harm humanity. Natural catastrophes will flood the earth, which will continue to tremble continually.

Today I invite everyone to pray for the United States, death ambushes it in great magnitude.

Intensify prayer for Argentina, Ecuador and Czechoslovakia.

The Middle East will bring suffering to the world.

My dearly beloved: the clutches of evil loom over the Church. My beloved Peter will suffer the sin of others in the flesh. My Church is being undermined, in little time it will be greatly shaken.

FAITH MUST NOT DECLINE AT ANY MOMENT.

**PRAYER IS THE DEFENSE AND THE WEAPON WITH WHICH MY CHILDREN
TRIUMPH AND WILL CONFRONT EVIL SO THAT IT IS DEFEATED.**

Darkness is coming closer to mankind.

Terrorist attacks will increase because of human egoism.

Beloved children: **FEAR MUST NOT INVADE THE FAITHFUL**, My Son remains with His People. My legions of Angels watch over each one of My children, they guard you, they help you and they protect you. Do not fear, you do not walk alone.

PRAYER IS THE GREATEST DEFENSE, IT REDUCES EVIL.

Do not decline in praying the Holy Rosary.

Come closer to God, He is a Loving Father.

I remain here, I am your Mother.

I warn you so that you do not falter in prayer.

**You are God's creation, you are God's beloved.
Live the Divine Love, devoted to the Commandments.**

I love you.

Mother Mary.

**THE INSTRUMENT'S COMMENTARY
ON THE MESSAGE FROM THE BLESSED VIRGEN MARY
APRIL 10, 2010**

Brothers and Sisters:

**TODAY IT IS URGENT THAT ALL CHILDREN OF GOD
UNITE IN PRAYER FOR ALL OF CREATION.**

I feel Mother Mary's urgent call, that almost discloses all of the events, almost, because She does not want us to be frightened. Instead She reaffirms to us Her protection, the Love and Protection of Her Son towards His People. Faithful or not, Jesus Christ gave His Life to redeem us from sin and He Loves us all. But the reality of life is this one that we already know: we must do good, it is a law. Whoever lives from evil, perishes in evil.

That is why today Mother Mary calls us again to conversion, because She tells us that we will see ourselves before the mirror of our behavior, not only on a personal level, but our behavior within the community, towards the planet and towards the cosmos. Everyone is responsible, even to creation that is why we will all find ourselves affected, so much that I feel that Mother Mary tell us: each one of us will be our own judge. We are tied to one another even if we do not want to accept it.

There are people who live seeking God tirelessly, transcending the merely human, and others that live inside a great voluntary ignorance, for convenience; they live in the hell of ignorance. We live in the midst of two forces: one spiritual, which leads man to evolve towards perfection. The other, which is constantly nourished by egoism, is leading man to the what is most base; without censure, without values.

Today Our Mother reminds us that man will continue to suffer, that the planet will grow hotter and we cannot blame God for this. The sun's vibrations will affect the earth by producing more radiation, climate changes will continue to devastate the planet and this will cause mankind to suffer, not only geologic changes, but social changes as well. The harshness of the fight will make man turn against man and we will self-destruct.

What is coming, that which Heaven prophesied makes itself urgent. They have already told us. This should not be reason for anguish, but of a confident expectance. Heaven helps us. Our Lord, Our Mother, the Angels, the Saints, alert us so that we turn to the Divine Mercy, so that we take another direction, so that we pray as a unit, and the praying voice is uniform. This brings blessings for all of humanity.

We are called to pray, for prayer attracts blessing, diminishes the intensity of what will happen. We are called to unite in a single voice of prayer and supplication. Today Mother Mary alerts us about the United States, again, for Argentina, Ecuador and Czechoslovakia; and I know that for Colombia also. Furthermore She warns us about the suffering the Middle East will bring.

Therefore, we are obligated by love and correspondence to Jesus Christ and Mother Mary, to pray for Our Holy Mother Church and for our Supreme Pontiff, today, not tomorrow.

We are children of the same Father.

Our Mother alerts us.

Let us give thanks to God and remain united, we are brothers and sisters, we must love each other.

Amen.
