

**MESSAGE FROM THE BLESSED VIRGEN MARY
TO HER BELOVED DAUGHTER LIGHT OF MARY
APRIL 21, 2010**

Beloved children of My Heart:

**TURN TO THE DIVINE MERCY IN EVERY MOMENT.
DO NOT FORGET THE FATHER'S INFINITE LOVE TOWARDS HIS OWN.**

This instant is for you to live interceding for one another, and in that way form a wall that minimizes evil.

The Church is living pressing moments that are increasing, without control. Man wants to control the spirit, and in this effort is attacking the center of the Church. Only that he has forgotten that the Church journeys but accompanied; it walks, but not alone. The Church palpitates in My Son's very Heart, and IT WILL TRIUMPH, IT WILL TRIUMPH.

Evil feels that it has power, and man has given himself over into the hands of that "malignant power." Mankind is at the threshold of confronting its own human sin. The moment is coming which no one will escape; everyone will find themselves before the infinite Love of the One and Triune God.

Every human being will see their internal state before the Infinite Mercy. Here there will be grinding and gnashing of teeth. Man will feel so ashamed for his sins before a God who is only Love and Mercy, who does not need to judge His children whom He loves infinitely. It will be man himself who, before the pain of the sin committed, will dictate his own sentence. God is Love and does not punish. It is man himself who will impose his own punishment.

Little ones, PREPARE YOURSELVES; the advance of the events does not halt, it continues with more force before an inert humankind. CONVERT, it is time for conversion. TURN TO MY SON, He waits for each one of His children.

Pray, in this instant in which you approach great painful events.
Daybreak will bring suffering for some countries.

Pray, since some lands that have already suffered, will suffer again.

Pray for My children of Chile and Brazil.

Pray for My children of Africa.

Pray for Central America.

Pray for My children of the Country of the North. The land groans.

Pray for the Church that is scourged time and time again.

Pray for all the countries that I have been enumerating to you.

Pray for the whole world that will live moments of tension.

PREPARE YOURSELVES, DO NOT DESIST. REMAIN UNITED.

IT IS TIME TO CONGREGATE IN A SINGLE UNITY.

I love you.

Mother Mary.

**THE INSTRUMENT'S COMMENTARY
ON THE MESSAGE FROM THE VIRGEN MARY
APRIL 21, 2010**

Brothers and Sisters:

**A CALL SO THAT WE DO NOT FORGET THAT BEFORE ALL THAT IS
ANNOUNCED TO US,
IS FIRST THE DIVINE MERCY.**

God is Love, One and Triune, as Mother reminds us. A Love so infinite, that when we are before that Divine Love, we will feel shame for having sinned; a Divine Love, which does not condemn us. It only looks at us, and in that looking, we ourselves will be the ones that declare ourselves to be culpable for having offended a God so infinitely Merciful.

Again our Mother reminds us of THE WARNING. Today we see with sorrow, how THE CHURCH, the Heart of the Mystical Body, is attacked. It is the strategy of those who want to take control of the spirituality of human beings, in order to manipulate them as they wish and conduct God's People towards the ways of perdition and liberalism.

We are beings that remain inert, as the Blessed Mother tells us. Inert because we have lost the sensitivity towards the suffering of others; inert because we turn to God only when we experience tribulation; inert because we blame God for the calamities that we have brought upon ourselves because of our own irresponsibility. We received the earth to be happy, and now we live in a sad present, for which we are totally responsible. We have destroyed the LOVE of God imprinted in all of creation. Instead we have raised the banner of human pride, of egoism.

A dawn, the Mother tells us: a dawn of lamentations, as She told us on April 6 "The dawn will bring suffering, tragedy, death" and on the dawn of April 7 a 7.8 earthquake happened in Indonesia. We are called to constant prayer, before an earth that groans because of man's destiny. Before an earth that does not hide its suffering and shows it through to the surface.

**PRAYER, PRAYER. THE ANGELS GO FROM NORTH TO SOUTH, FROM EAST TO
WEST, AND THEY CALL FROM ON HIGH: PRAYER, PRAYER, PRAYER.**

Again we must fall on our knees for the country of the north: the United States; for our brothers and sisters of Chile, for Brazil which has suffered and will suffer, and for all of the countries for which Heaven has asked us to pray, and for the whole world.
