

**MESSAGE FROM OUR LORD JESUS CHIRST
TO HIS BELOVED DAUGHTER, LIGHT OF MARY.
MAY 5, 2010**

Beloved children:

RECEIVE MY BLESSING.

My Hands extend themselves towards a hurting and suffering humanity, over those who turn to Me: at every moment, I welcome all with Mercy.

My Mother maintains Her Hand sheltering those who are Mine in order to conceal them from evil, and in that way they escape notice and are not touched by the malignant one that at this moment roars against the small number of My faithful.

Little ones: an event will surprise everyone. You will be astonished. The fishing has not ceased yet; today more than in other calls, I invite you to enter My Nets so that I may take you to a safe place.

The Earth will suffer, tragedy will come. Where grace for the whole world over abounded, there will be a place of suffering now¹. The poverty of the human mind has lead it to think that the one who possesses My Land, possesses the power².

Evil spreads, you will hear human lamentations, the Earth will move again, it will be a passing of death, leaving the wake of suffering. Suffering that will physically burn within the human being, in his or her skin, in his or her being. This phenomenon, combined with an act of man against man, will touch the innermost depths of those who are Mine.

Children:

The clouds will not be seen before nature's fury that will once again cover Europe.

Chile will give birth to suffering.

The empire of North America will suffer.

It is urgent that Nicaragua make reparation.

Indonesia will suffer again.

Africa will suffer.

San Francisco will not cease its suffering.

¹ He is referring to Rome.

² He is referring to Israel.

Spain, England: Remain alert!

Costa Rica: The one that is has been sleeping for some time will soon awaken.

The Earth is no longer the same, the fruit has ripened. You allowed it to grow old, now it is rotten. In his desperate competition for power, man precipitated what has been announced. The economic crises will lead the powerful ones to unite, and later to break up, causing the war.

My beloved: My Angels arrived to gather the expected harvest; it has not been possible to gather. They have only presented Me with a small number.

**FOR THE SAKE OF THE FAITHFUL, MY MERCY REMAINS OPEN
AT EVERY MOMENT, WAITING FOR YOU.**

**IN ATTENTION TO MY FAITHFUL, I DO NOT EXERCISE ALL OF MY JUSTICE,
BUT ON THE CONTRARY, I EXERCISE ALL OF MY LOVE.**

My children will be protected.

My Mercy keeps you in a chest so that the events do not harm you.

You are not alone.

Pray the **HOLY ROSARY**, do not fail, be perseverant. The praying of the Holy Rosary will increase the **DEFENSIVE SHEILD** for each one of you, the shield before which the devil flees.

Little ones: The devil is tormented by each **HAIL MARY** that you pronounce with faith and love.

Do not fear.

I keep My Gaze upon each one of you.

MY PEOPLE: DO NOT FEAR. YOUR LORD IS WITH YOU!!!

Jesus.

**THE INSTRUMENT'S COMMENTARY
ON THE MESSAGE FROM OUR LORD JESUS CHRIST
MAY 5, 2010**

Brothers and Sisters:

**IT IS NOT JUST A CALL; IT IS NOT JUST A WARNING:
IT IS A STRONG CRY TO RESCUE THE LOST, THE UNBELIEVERS.**

A Jesus that is all Mercy, that looking within the collection of souls and finding some faithful ones, takes pity and does not let all the Divine Justice that mankind deserves descend, but sends His Mercy to lessen in some measure that lamentation that all of mankind will utter.

The fact that Our Lord makes clear to us that His Angels have come for the harvest and have only found a small number of faithful has left us without breath, because this denotes the imminence of the fulfillment of the prophecies that even though we know them, we must now live them in the flesh. Because no one will cease to pass through this very bitter time of the Great Tribulation. Even though He, who is all Love, tells us: "The faithful will be spared at some moments from the very horrible suffering, and later will return to continue their purification." Because we must go through various moments that will be like judgments on a small scale for mankind, until we find ourselves before the Warning.

He invites us to reconcile ourselves, since, evoking the Miraculous Fishing, He calls us to let ourselves be fished in order to enter into that small number of faithful, because Mercy will remain until the last moment.

How sorrowful to see again the pride of the human being, who being called and suckled by the Mother of All Men, has allowed eternal life to mature and before his eyes, he has let it grow old!

At this moment man finds himself rotted spiritually and rationally. It is precisely this fetidness that he distills, which is rotten, which makes nature and man himself punish man in multiple ways like the Lord tells us today.

Upon referring to Rome, He not only evokes Rome to us as a city, but also Peter's Throne and He ties it to His Land: Israel. That is to say: we will confront a spiritual event that will move us as members of the Church and as dwellers of the Earth.

**AT THIS MOMENT I AM LIVING THE SCENE OF JESUS
LOOKING UPON JERUSALEM AND WEeping.**

We see the Earth tremble from its foundations, and the wake of suffering that traverses the Earth like that horseman that announces man's lamentation and tells creation to pour out over mankind what mankind has gestated, by free will.

But like at every moment of history, we state that Our Lord gives us, always, the weapons and the dowry. That is why now, He calls us to fortify the Shield of Protection that every warrior must carry for battle. **This Shield is the Holy Rosary.**

In addition, we are sheltered by Mother Mary's Holy Mantle, which will make us invisible, it will elevate us above everything, it will lull us in the most bloody instants of the Great Tribulation. So that Her Son's faithful People do not suffer the horrors of all that is coming. It is not that we are not going to suffer. Yes, we will have to purify ourselves, but at some moments we will not feel the fury of what is coming.

These words also express to us the "now", which has ceased to be "now" in order to be "lamentation". That is why He gives us the weapon of the Holy Rosary, in order to make the devil feel that there are also faithful souls on the Earth which do not sleep, constantly interceding for their brothers and sisters, and that in the same way that evil does not sleep, neither does good.

Therefore, brothers and sisters, let us make the Earth tremble with a multitude of "HAIL MARY'S", with an interminable Chain of Prayer: **THE GLORIOUS CHAIN OF THE HOLY ROSARY.**

**THIS IS THE MOMENT IN WHICH GOD'S PEOPLE MUST SAY
THEY ARE PRESENT!**

ONLY IN THAT WAY WILL WE MAKE THE EARTH TREMBLE WITH LOVE!

AMEN.
