

**MESSAGE FROM THE BLESSED VIRGEN MARY
TO HER BELOVED DAUGHTER LIGHT OF MARY
MAY 12, 2010**

Beloved of My Immaculate Heart:

ONCE MORE I REMIND YOU OF MY LOVE FOR EACH HUMAN BEING.

I still await the Consecration of Russia to My Heart in order to avoid the third world war. But you have ignored My pleas that would bring good to all, avoiding humankind's suffering.

The persecution of the Church faithful to My Son is worsening. There is opposition to My Peter on the part of those who should maintain fidelity, and this predicts a confrontation known and gestated by those, who with the desire to unify the churches of the world, are distorting that unity through a mask that the devil has utilized in order to infiltrate the Church's center and in that way undermine it as an institution little by little.

Masonry and so many other sects in alliance with communism have planned strong strategies against My Son's Church, which are bearing fruit against My Beloved Benedict XVI and will culminate in the already announced persecution of the faithful people and the establishment of the antichrist's seal. My beloved Peter suffers and will suffer. His heart will suffer in My land: in Fatima I will make him see the suffering of what is coming.

I suffer, yes, I suffer for those, My favorite children, who are not devoted to the teachings of the Gospel.

I suffer, yes, I suffer for those, My favorite children, that call My Son's People not to love Me, to forget that you have a Mother that loves you.

I suffer for those of My chosen children who deny the existence of the infinite, in order to encourage licentiousness and the firmness of the devil's power within humanity.

I suffer, yes, I suffer for those who attempt against the Catholic Church to which they owe themselves and to which they have consecrated themselves.

I suffer, yes, I suffer for all of you, My Son's beloved People, because you have given yourselves over to all kinds of pleasures and idolatries.

I suffer for those who profane and will greatly profane My Son's Body and Blood.

I suffer for you, who without conscience and confused by the malignant voices contrary to the Church that My Son instituted, will run after the great usurper and with him will usurp My Son's House and will profane it.

I suffer because you have not listened to Me, because you have denied My Calls, I suffer because they will persecute these souls that My Son has chosen to announce you of the Word from Heaven during these times.

I suffer for this generation, idolatrous of carnal passion, distanced from the value of life, given to vices and darkness; I suffer for the uncontrolled fashions that distort the nature of man and woman. I suffer because My children are empty.

You have flooded yourselves with darkness, which will soon come to fill the earth, and in it demons will rush against their prey. They will be moments of trial for My children, of suffering for those who have not believed. The earth will be transformed, it will no longer be the same.

**I DO NOT SPEAK TO YOU OF THE END OF THE WORLD,
I CALL YOU, CHILDREN OF THIS GENERATION.**

Communism has seized a great majority of countries, like strategic points around the globe, from which it is secretly planning its entrance, in order to demonstrate its power.

Little ones, wake up, wake up, for all that I have announced is being fulfilled before your eyes without you seeing it, denying it fully, out of fear.

I bring you the weapon with which I have interceded at all times: **THE HOLY ROSARY.**

FORGE FORWARD, MY SON'S PEOPLE,

EACH ONE OF YOU, CONSECRATE YOUR BEING TO MY SON'S HEART AND MINE!

Pray the Holy Rosary, My legions of Angels are awaiting the call of each one of you to protect you.

Ask forgiveness for so much sin, repent, for evening falls.

Live as My Son commands you, devoted to His Word; mend your ways and change your life.

Divine Mercy has no limits, convert.

COME, ALLOW ME TO LEAD YOU TO MY SON!

Your Mother who loves you.

**THE INSTRUMENT'S COMMENTARY
ON THE MESSAGE FROM THE BLESSED VIRGEN MARY
MAY 12, 2010**

Brothers and Sisters:

**I FEEL THAT OUR MOTHER IS SUFFERING AND WAITING FOR THE RESPONSE
FROM THE PEOPLE OF GOD IN THIS MONTH ESPECIALLY.**

AN URGENT CALL. In a single message, Our Mother expresses to us the things that must soon take place to the humankind, who insists on disobeying, on being unbelieving and false.

With a Mother's sorrow She shares with us the reality that we Catholic Christians live; in this moment in which so many truths are denied, in which confusion invades those who are lukewarm, before the opposition of some ministers of our Church towards the Supreme Pontiff. Without seeing that it is a strategy of the devil in order to prepare the way for the antichrist, together with communism which will make mankind tremble because of suffering.

I cannot cease to say that this is what satan was waiting for in order to create controversy among the Church itself, and which has been announced in the past. Reason which leads us to see this reality, which Our mother had anticipated to us in prior Apparitions.

A humanity submerged in spiritual ignorance, that walks like a zombie in time with those who directly attack the salvation of the human being.

A lasting darkness that concerns us all, because we will all suffer for this reason. Today Our Mother inclines the balance totally, towards prayer for our Church, before an event that She has warned us about time and time again. We need light, but light in each one of us, light of love for Jesus Christ and for Our Mother, light of commitment.

A darkness of spirit that silently invades man, and that at a determined moment will become real. The blessed candles will not give light on their own if our soul is not clean. That is why She calls us to conversion, to not forget that the Divine Mercy is infinite and that we are expected like the "prodigal son", so that we convert and repent.

**HOW MANY DANGERS HAVE BEEN AVOIDED
THROUGH THE PRAYING OF THE HOLY ROSARY!**

HOW MUCH GOOD LIVING THE CROSS OF GLORY DOES US!

The now is no longer the now, it is suffering. These words that not only pierce the mind and the heart, but the soul, must lead us to convert, not out of fear, but for our own salvation.

And...what more is there to say, if Mother Mary has said it all to us!

THE ONE WHO HAS EARS LET HIM HEAR...

Amen
