

**MESSAGE FROM OUR LORD JESUS CHRIST  
TO HIS BELOVED DAUGHTER, LIGHT OF MARY.  
MAY 15, 2010**

My beloved People:

**I HAVE GIVEN MY MOTHER TO YOU SO THAT SHE CALLS YOU CONSTANTLY,  
INVITING YOU TO CONVERSION.**

I have given you My Mother so that you turn your gaze inwardly, towards the interior of each one of you and do not deceive yourselves, but rather examine your conscience.

In these instants in which scourges approach for mankind, My Mother does not cease to be that Eternal Pilgrim that goes from nation to nation, from place to place, from home to home, from man to man so that My children do not get lost.

**MY MOTHER ACCOMPANIES YOU.**

Why do those who call themselves Marian deny Her calls?

**I DO NOT PUNISH, I LOVE; LOVE IS DIVINE PROPERTY.**

How is it that scholars deny My calls and My Mother's calls?

It will be like in the past: the simple and humble of heart will be the ones who listen and heed the calls.

Moving back in history, you will see how I do not punish or frighten those that I love. But yes: knowing the transcendence of sin and what is derived from it, the love for My children compels Me and I alert you so that you wake up.

My Mother warns you so that you wake up and repent; so the consequence of sin does not contain the intensity that "man himself has forged".

**YOU HAVE BEEN MASTERS OF CREATION, AND WHAT HAVE YOU DONE?**

And even so, you want to continue to hoist sin after sin without being stopped by My Divine Love. Children, you must be healed; you must be healed, converting, before it is too late.

You debate denying My Mother's calls. Some disrespect Her and others turn violent against My instruments. How I wish that strength which you use to combat My Mother's Love for Her children so that they are not lost, you would use to fight and combat sin!

The time of a New Heaven, of a New Earth, will come. I will come to bring **PEACE**. But this present time must not be used as a distraction so that mankind can continue to sin and satan wins more souls.

You, children, you bring catastrophe for all of humanity. My Love calls to My Justice, out of Love.

The opportunity will be given for everyone to see their interior and there you will see how many errors you have committed, and those who have power over those who are Mine, will suffer when they become aware that they have been means so that their brothers and sisters **continue** in error. **But at that moment I will be there like always, taking you by the hand and bringing you deep into My Merciful Love.**

My Beloved: the earth will move again, the water seeks to hydrate man who is drying up because of sin, and it comes to seek him. The stars shine at night, astonished they watch man who no longer contemplates them; astonished they seek a humanity that scarcely raises its face to Heaven. Soon man will raise his face and see that which he has ceased to see.

Upon losing values, man loses the capacity to defend himself in the face of illnesses. Spiritual weakness has transcended to man's body and will soon cause him to be vulnerable to several plagues that are already before you.

My beloved, do not be discouraged before the ridicule and criticisms of those who do not want to believe. Soon they will seek you out My faithful, so that you go to help them in the midst of the fulfillment of the prophecies, which we have not given in vain for this generation.

My beloved Peter suffers and will suffer in the hands of those he loves. The cross is made heavier every day by supposedly friendly hands.

**HEED THE CALLS, TAKE THEM SERIOUSLY.**

Do not mutilate yourselves denying My Mother, the Eternal Pilgrim.

**I LOVE YOU, AND OUT OF LOVE I WILL MOVE THE HUMAN HEART.**

Your Jesus.

**THE INSTRUMENT'S COMMENTARY  
ON THE MESSAGE FROM OUR LORD JESUS CHRIST  
MAY 15, 2010**

Brothers and Sisters:

**OUR LORD CALLS US TO REMAIN AT THE FOOT OF THE CROSS  
BESIDE HIS MOTHER AND OUR MOTHER TOO.**

The Son calls His Mother: "The Eternal Pilgrim." Jesus' Love for us surpasses time, so that we understand that for the Mother time also does not exist. She is the Handmaid of the Lord and traverses everywhere around the world to call us to conversion.

Today Our Lord makes us see that the value in life is in fulfilling the Divine Will.

And who else is Our Lord going to send us but His Mother, the true fulfiller of God's Will, that does not get overwhelmed and goes from place to place, child to child, in order to call man to see the overabundance of offenses that mankind raises towards Heaven?

The Divine Wisdom is not made to wait, and today announces to us with a sublime delicacy, that we are going to suffer because the water that surpasses us in volume in our body and our planet, seeks us in order to cleanse us from so much sin.

How do the scholars not comprehend that we cannot condition Jesus and Our Mother, so that the messages adapt to what they want to hear or read?

We waste the little time that remains in a debate without reason over the Mother's calls. Poor man, who not seeing beyond the tip of his nose, sinks in encouraging his fellow men so that they do not hear that they need to change and heal through conversion! This would prevent that this intoxication in the human being advances, which makes him totally vulnerable not only to illness of the spirit, but to illness of the body.

The lack of God makes man easy prey of diseases, plagues and more. The Earth will move in order to move the hardened human heart, which seeks a God of emergencies. And before this attitude He again evokes the Warning so that we do not forget it. But at the same time He does not let us forget His great Mercy in present action. He makes us look on high, to the light of the stars, because in the face of man's denial, the stars will look for us.

Prayer for our Supreme Pontiff must also be a forceful attitude of children of faith who support him. As the Lord well said: The Church suffers for itself.

**WE CAN MINIMIZE WHAT IS COMING:**

**LET US PRAY,  
LET US CONVERT  
AND LET US RECOGNIZE THAT WE ARE CHILDREN,  
AND THAT GOD IS GOD.**

Amen.
