

**MESSAGE FROM OUR LORD JESUS CHRIST  
TO HIS BELOVED DAUGHTER, LIGHT OF MARY.  
MAY 31, 2010**

Beloved children:

**MY PEOPLE, MY BELOVED PEOPLE!  
I KEEP YOU IN THE PALM OF MY HANDS.**

Do not lose heart in the face of the hardness of mankind, which walks without a course towards its own destiny. Do not fear not being understood by your brothers or sisters, remain firm, do not give ground to sin. Move away from the worldly, do not be captivated by the supremacy of what man has created, which is finite and superfluous.

**YOU ARE MY CHILDREN, FOR YOU I HANDED MYSELF OVER IN ORDER TO  
REDEEM YOU AND KEEP YOU BESIDE ME.**

Mankind remains tied to the worldly, you do not see beyond where corporeal vision allows you. This is the reason for which you do not heed My calls to conversion. You live attached to the worldly, this makes the correct path more difficult. The present in which you live is temporary, I bring you eternal life.

**NOT IN VAIN ARE MY WORDS URGENT AT THIS TIME OF MERCY,  
OF SALVATION, BEFORE THE FALL OF DAY.**

Children: do not continue to be captives of the enemy of the soul. Mankind lives dominated by the spirit of perversion. This very high quota of sins spills over the Earth that trembles from its bowels, in its incessant quest to be find itself in My harmony again. The prophecies have converged upon humanity in this generation that cries out to be purified.

**MY PEOPLE: REMAIN ALERT.** My Church is being undermined by the enemies that stealthily attack it, while you live without taking My calls and those of My Mother with the required seriousness.

A cloud approaches man without you raising your eyes to Heaven. Man's fight against man for power will astonish the world. Terrorism's crudeness will let itself be felt, immorality, degeneration form part of the acts that intensify the nausea of the Earth that will continue to cleanse itself, and in this act, man will suffer nature's inclemency through all the globe.

**YOU WALK WITHOUT OBEYING.** Before so much denial, all that My Mother and I have revealed remains before you so that upon seeing your conscience before its reality, without hiding anything, you amend your life and save your soul<sup>1</sup>.

---

<sup>1</sup> Our Lord is referring to the WARNING.

**ALL THAT HAS BEEN REVEALED HAS BEEN ADVANCED FOR THE GOOD OF  
THOSE WHO ARE MINE.**

**My People: you must counteract evil, receiving Me every day, praying; and through concordance of life, being living testimonies of My Word in everyday acts.**

You must make reparation for the constant sins nourished by a humanity dazed by the malignant one, who easily takes control of men, those that have become fragile upon living without Me.

You are My children, I love you, do not ignore My calls.

Your Jesus.

**THE INSTRUMENT'S COMMENTARY  
ON THE MESSAGE FROM OUR LORD JESUS CHRIST  
MAY 31, 2010**

Brothers and Sisters:

Our Lord begins this call today with a profound expression that makes my mind alert and stokes up my heart: MY PEOPLE!

This expression must inflame our heart with joy, and must make us alert in order to continue attached to the faith that we profess, and to the love towards Our Mother of Heaven, without incomprehension leading us to give in before sin.

We are His children, and He gives us the certainty that we are not alone. The eternal and infinite Love of the Lord does not stop even though humanity continues inert without directly seeing the mud in which it walks. We must take our sight beyond where vision takes us, because our faith gives us the certainty that we are warned, and because Our Lord loves us and knows all that is going to happen. And if He does not tire of calling us: Who are we to grow tired and remain on the path like fools that rush towards the abyss without doing anything?

Once more we are warned out of Love about the dark destiny which humanity approaches. We live a reality upholstered by sin, a reality that man himself has carved. Every day we receive with sorrow news of a sequence of events that has already been previously announced by Heaven: ones of natural character, and others gestated by man. But we do not pay heed, nor do we desire to halt and change our way of life.

The Lord tells us that we must be purified, in order to wash from the Earth so much sin and so much disobedience. Today He warns us about events that, as He tells us, have been accelerated upon this generation.

Today more than ever, we must pray, taking refuge in Holy Communion so that we are fortified and can continue in the midst of the events coming for the whole world.

**LET US PRAY WITHOUT TIRING.**

**OUR HELP COMES FROM THE LORD WHO MADE HEAVEN AND EARTH.**
