

**MESSAGE FROM THE BLESSED VIRGIN MARY
TO HER BELOVED DAUGHTER LIGHT OF MARY
JUNE 8, 2010**

Beloved children of My Immaculate Heart:

**REMAIN UNITED TO MY SON, LIVING THE GOSPEL,
PREACHING WITH YOUR TESTIMONY.**

Receive My Son daily in the Eucharist. Each one of you must fulfill their duty as a member of the Mystic Body, go deeply into the Sacred Scripture, live the Beatitudes, be models of CHRISTIAN LOVE.

**LITTLE ONES, THE CHURCH WILL BE PURIFIED, NOT DESTROYED.
IN THE END MY IMMACULATE HEART WILL TRIUMPH
FOR THE GLORY OF THE MOST HOLY TRINITY.**

Unite in a single voice, with the praying of the Holy Rosary. At these moments it is indispensable that families pray together, so that they remain together. The devil is drilling the heart of the family in order to weaken you, lust will infiltrate mankind, it undermines the Sacrament of Matrimony and distorts the Commandments of God's Law. Perversion takes possession of man and the innocents suffer because of this scourge.

**CHILDREN, BLESS ONE ANOTHER,
DO NOT CLOSE YOUR EYES WITHOUT THANKING GOD FOR THE GIFT OF LIFE.**

You have forgotten to thank Divine Providence for all that you receive. You live with your gaze upon the worldly, you grow in egoism and pride. You do not look upon each other as brothers and sisters, you judge each other easily, with extreme flippancy, without respect. Like the Pharisees, you condemn what does not agree with you and you let yourselves be deceived by the devil without perceiving it. You join with voices that cheer what is temporary and mundane. You move away from prayer, losing yourselves in a false reality, until man's own cruelty will cause you to wake up.

**MANKIND WILL LIVE MOMENTS OF ANGUISH, WAR WILL BRING SUFFERING FOR ALL.
TODAY I INVITE YOU TO PRAY FOR SOUTH AFRICA.**

This your Mother, Pilgrim of Love, intercedes for all of you, when the earth will quicken its pace and time will shorten for man. Look on high, Heaven warns you. See how the animals change their customs. They feel all that approaches and warn you, but you children, in the midst of your very hectic living, do not stop to see what you should see.

The Church is being persecuted, evil approaches with more force each day, you walk in a valley of tears, yes, not defeated but guided by the HOLY SPIRIT.

Today I call you to cry out to My Son:

**JESUS CHRIST MY KING, BE MY PROTECTION, SHELTER ME IN YOUR MOST SACRED HEART
AND PROTECT ALL OF HUMANITY.**

Remain in Peace. I bless you.

Mother Mary.

**THE INSTRUMENT'S COMMENTARY
ON THE MESSAGE OF THE BLESSED VIRGIN MARY
JUNE 8, 2010**

Brothers and Sisters:

The Blessed Mother calls us to deeply study the Sacred Scripture, because we cannot love what we do not know, and not knowing the Divine Word, man loses his center. He does not know how to preach with his testimony, because he lives distanced from God.

Once again, Mother Mary calls us to turn to Eucharistic nourishment, in order to maintain ourselves standing in the midst of a controversial world, in which it seems that we walk backwards. A wall of most solid rock, we are also invited repeatedly to be unity through the praying of the Holy Rosary as a family, and without tiring, in order to fight sin. Mother makes us see the reality of familial disintegration and the suffering of the innocents who are abused.

The plague that goes directly against all that signifies God, must be battled. We, the People of God, are the ones called to minister to one another, to live in unity and not be instruments of rift that increase the enemy forces that fight and will fight against the Church. We are warned about a new event of nature, and of man against man, before which our prayer must be continuous.

**OUR MOTHER REAFFIRMS TO US THAT CONFIDENCE IN THE TRIUMPH OF THE CHURCH,
ALONGSIDE HER IMMACULATE HEART.**

“Amen.”
