

**MESSAGE FROM OUR BLESSED VIRGEN MARY
TO HER BELOVED DAUGHTER LIGHT OF MARY
JUNE 28, 2010**

My beloved children of My Immaculate Heart:

**EVERY MOMENT IS URGENT AND SHOULD NOT BE WASTED.
EVERYTHING IS UPON HUMANITY.**

Every moment is extremely urgent and it should not be wasted. I call you to an absolute and total conversion. **Your walking must always be a testimony of the true Christian who is faithful to the Scriptures, the Commandments, the Sacraments, the Beatitudes, devoted to the Church.** Instants in which each second has infinite value and scope because it affects the instant that humanity has left.

In the depths of the Earth, fire is quickly preparing to rise to the surface. Soon you will see with astonishment several volcanoes that cause unimaginable and great pain for many nations. The water at the bottom of the sea, is becoming rough water in order to quickly jump towards the land, this is because the Earth will move again and will shorten the present instant.

You must prepare yourselves spiritually very, very well; you must no longer see the finite and hurriedly begin the leap towards the infinite, towards God. Faith cannot succumb, not even before the battles that approach the Church. **FAITH IS IN MY SON JESUS CHRIST, not in men. Remember this: Faith should not FALTER.** REMAIN FIRM WITHOUT MOVING; THAT IS WHY I CALL YOU TIME AND TIME AGAIN TO BE TRUE CHRISTIANS.

LOVE THE CROSS and find in Her that essence, which only those who go beyond what is merely visible to human sight can see. That essence of true Love, of the Divine Love that is found in the Cross, this is what you must seek so that faith never staggers, under any circumstances.

Beloved children of My Immaculate Heart: Communism has slyly seized nations little by little, and many of My children have fallen into its trap. Today I call you to pray with strength for My children of Venezuela . South America is in danger.

I invite you to pray for California .
To pray and make reparation for San Francisco.
To pray and make reparation for Czechoslovakia.
To pray and make reparation for the Asian Continent.

Beloved: the instant future will bring suffering, but you as faithful warriors, united to My Son's merciful love, raise your face toward Heaven and fill yourselves with Divine Mercy. Maintain your gaze in the Merciful Heart and find in HIM the balm before all tribulation. You are not alone, do not fear, do not fear!

THE CHURCH WILL TRIUMPH, BUT IT MUST BE PURIFIED!

You will never be abandoned. My maternal Heart shelters you all; My Mantle of Love covers you in all circumstances, but I need your will to come to me so I can lead you to My Son. Do not fear, we will triumph, evil will be crushed and you People of God will arise jubilant and triumphant!

Keep the faith, do not decline. I had already invited you to remain in a chain of worldwide prayer; today, I call you for a second time to remain in that unity, in a single voice through **THE HOLY ROSARY**.

Cry out for those who do not want to listen, for those who do not love, for those who blaspheme, for those who despise My Son. Pray for the conversion of your brothers and sisters and you, who listen faithfully to My Son's calls and My calls, you who do understand this extremely urgent moment in which humanity lives, you who do see, you who do hear the Word of My Son, you who do not despise My Calls, you who are faithful, **DOUBLE prayer through LIVE AND PERMANENT TESTIMONY OF THE TRINITARIAN LOVE, of mercy, of charity and of FORGIVENESS**. Be living testimonies of My Son's love, give testimony in every word, in every look, in every step. Fill the face of the earth with Divine Love!

All that is approaching is not going to stop, but you can intercede before the Holy Trinity to mitigate what is coming as much as possible. Unite, live in love, cry out, cry out by being a testimony of the behavior of the true son of God.

I bless you beloved of My Immaculate Heart; remain in peace united as one.

HAIL MARY MOST PURE, HAIL MARY MOST PURE!

Mother Mary.

**THE INSTRUMENT'S COMMENTARY
ON THE MESSAGE FROM THE BLESSED VIRGIN MARY**

JUNE 28, 2010

Brothers and Sisters:

Today our Blessed Mother gave me the following vision: I saw a large clock, like those used in churches. I saw it tick for a few seconds and it stopped, at that moment in which it stopped, the Hand of God appears in the clock. His Hand was moving as if it were the hands of the clock. Our time is no longer time, let us not measure it in the human way.

I saw a new tsunami, several volcanoes erupting, and devastated towns: pain, hunger, disease.

Also all the events stamped on the Redeeming Cross of Our Lord Jesus Christ. That is why we must also see in the Cross, our victory, because we are purified in Her.

Our faith must prevail above everything. We are founded in God who is our strength, Absolute Truth, Infinite Mercy. Our free will must not bind us to the mundane. Let us elevate our will and give it to the Almighty and entrust ourselves to the Maternal protection; let us allow Mother Mary to help and protect us with Her Mantle.

This chain of prayer to which we were previously called, must grow at this instant, as Our Mother asked today.

This message from Our Mother has very, very great content. In order to understand its transcendental value, let us kneel down in deep prayer and ask for the light of the Holy Spirit.

We live to the rhythm of the Almighty Hand of God.

Amen.
