

**MESSAGE FROM OUR LORD JESUS CHRIST  
TO HIS BELOVED DAUGHTER LIGHT OF MARY  
AUGUST 20, 2010**

Beloved children and My People:

**ASK AND I WILL GIVE TO YOU.**

**HEED MY CALLS, TRUSTING IN MY MERCY.**

Fortify the spirit, take notice of all that harms you and distances you from Me. Convert with promptitude, discern the signs of the times.

I call the human heart that has ceased to hold fraternal love and in its place has now founded licentiousness. Man, being his own executioner, has deprived himself of My light, impregnating himself with ignorance.

Like a fortified city, My children impede Me from penetrating their feelings, they hide within themselves sin, hatred, falseness, they ignore My Words. They love that which is earthly, temporary, that which hardens them and leads them towards sin, they enjoy the easy path.

You are My children. I educate those whom I love, with love and justice.

The Earth spins quickly without you perceiving it, causing the cloud of sin to discharge upon the Earth by means of water, causing great suffering time and time again. Water pours over the Earth. Tomorrow, it will be absorbed by the sun that will severely warm the Earth, until it makes you feel like you are burning. The ally of man, which today illuminates you, will become inclement. You will seek to distance yourselves from it and it will not be easy, everything will burn.

Fire will fall from Heaven and a comet will appear suddenly before the astonishment of all. Man will not find a hiding place, he will turn out the animals from their burrows, seeking a refuge.

My Creation has been mutilated by humanity. It fights to survive in the midst of its agony.

Those who are Mine will fight fiercely: first for black gold, then for sources of water.

Pray for South Africa: it will suffer.

Pray for Poland: it will lament.

Pray for Japan: it will weep.

**BELOVED CHILDREN, YOU WILL SEE THE FULFILLMENT OF ALL THAT I HAVE ANNOUNCED TO YOU.**

Man cannot predict the seasons exactly; the weather will never be the same.

Fire will come out of the Earth causing great astonishment.

Children, you have marked time in order to measure day and night, you have given names to the days of the week, to the months. In My Will, a day is a blink of an eye. Do not sleep. Remain awake.

**WHAT USED TO BE FAR FROM MANKIND WILL COME ABOUT IN AN INSTANT.  
SPIRITUAL AND PHYSICAL PREPARATION MUST TAKE PLACE URGENTLY.**

Children, My Love burns for each one of you, come to Me.

Listen to the voice of this Shepherd who does not abandon His Flock, soften your hearts.

Convert, turn to the Sacrament of Reconciliation, I wait for you with infinite Love.

**MY PEOPLE WILL TRIUMPH, THEY WILL SIT AT MY TABLE,  
THEY WILL ENJOY MY NOURISHMENT FOR ALL OF ETERNITY.**

I bless you, have My Peace.

Your Jesus.

**HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.**

**THE INSTRUMENT'S COMMENTARY  
ON THE MESSAGE FROM OUR LORD JESUS CHRIST  
AUGUST 20, 2010**

Brothers and Sisters:

**“ASK AND I WILL GIVE TO YOU.”**

**WHAT INFINITE LOVE OF OUR LORD JESUS CHRIST!  
BEFORE A HUMANITY THAT DESPISES HIM, HE OFFERS HIMSELF TIME AND TIME AGAIN.**

It is urgent that man open his eyes and become aware that the signs of the times remain actively present before him. Because solidarity lasts as long as a sigh; humanization is surpassed by human egoism.

A Divine lamentation that emphasizes the foolishness of man who denies his Creator what is His; a man that does not know himself and therefore cannot give himself to God or to his neighbor.

Mankind journeys on a path of death. The fight for water will be a great detonator in the midst of this emaciated humanity, which mutilates itself and marks upon itself with great clarity, the prophecies that converge in this generation. Even though it may want to be denied that it is so. Human history has carved the path so that in our present we atone for all the generations of all the ages.

**LET US PRAY AND AWAIT THE WILL OF GOD, TRUSTING IN HIS INFINITE MERCY.**

Amen.

Giver of life: Remain at my side,  
do not listen to my hurried word  
when, submerged in the world,  
I forget You.

Giver of life: Reclaim me as Your possession.  
Do not permit my clumsy walking  
to carry me farther away from Eternal Life.

Giver of life: I have abandoned You for what is temporary;  
wandering without a course I go away from You.  
Break these chains of death  
and make of me, a new creature.  
Amen.
