

**MESSAGE OF GOD THE FATHER  
TO LUZ DE MARIA  
JANUARY 19, 2026**

Beloved children,

As a Father who loves you,  
I want prayer from you...  
I want you to examine yourselves inwardly with sincerity...

Many of you are proud and continue to act this way because you do not look at yourselves and do not admit that you are proud (1). The ego (that rises up and thinks it knows everything or wants Me to explain everything to you, to give answers to your human foolishness without making the slightest effort to comply with My Law) and arrogance are obstacles for My children.

As a generation, it is difficult for you to find peace without first seeking Me and being at peace with your brothers and sisters.

**WHAT IS GOING TO UNFOLD ON EARTH IS TERRIFYING, AND I MUST TELL YOU, ALTHOUGH YOU WILL NOT BELIEVE IT UNTIL YOU ARE IN THE MIDST OF THE FULFILLMENT OF WHAT I HAVE MADE KNOWN TO YOU SO THAT YOU WOULD PREPARE, AND IT WILL BE LATE FOR A GREAT NUMBER OF MY CHILDREN.**

You live with great uncertainty about the future, which is why you want to know and know, which is why you ask and want to know dates...

Everyone will experience a severe crisis as a result of the pollution to which you have subjected the Earth and your fellow human beings. You have indiscriminately spread elements harmful to man from the air, increasing human diseases.

Some earthquakes and tsunamis will not be a result of nature, but created by great powers, and they will cause great earthquakes and great devastation.

How far will man go, how far?  
Where have all these harmful inventions come from?  
From misused science. It is the desire of human power to forget Me and to believe that the powers are everything and stand above Me.

**THEY FORGET THAT I AM THEIR GOD, AND THEIR VERY ARROGANCE WILL LEAD THEM TO COMMIT TERRIFYING ACTS. THEY WILL RISE UP AGAINST ME, AND THEN YOU WILL LIVE IN DARKNESS.**

**Pray, My children, pray, so that prayer would mitigate earthquakes.**

**Pray, My children, pray, so that prayer would mitigate the electromagnetism on Earth.**

**Pray, My children, pray, so that prayer would mitigate the action of the sun so that it would not overcharge the electrical power transmitters and leave you in darkness. (2) (3)**

**Pray, My children, pray, so that prayer would lead you to understand that you need to prepare for serious natural events, especially earthquakes.**

**Pray, My children, pray for Canada, pray for Mexico, pray for Central America, pray for Peru, pray for Italy, pray for France, pray for Japan, pray for Russia.**

**YOU MUST REMAIN VIGILANT, CHILDREN!**

**PRAY AND OPEN YOUR HEARTS, RECEIVE ME AS YOUR LORD AND YOUR GOD. DO NOT STOP, AND CONTINUE TO ACKNOWLEDGE THAT YOU ARE SINNERS.**

Be humble, My children; you belong to My Kingdom.

Come to Me: I love you, and may you be a constant light in the midst of this hour that is leading you into darkness.

You are My children, I love you.

God your Father.

#### **COMMENTARY BY LUZ DE MARIA**

Brothers and sisters,

We have the privilege of receiving the Divine Word to strengthen our faith. Our Eternal Father gives us the guidance that we need in order to continue doing with love and obedience all that is asked of us and to respond to Him as true children.

We have been warned about how much we need to purify ourselves, and nature will contribute to this, but Our Father tells us that He is not being obeyed, that people will stop loving Him as the Father of Humanity and Creator of all that exists. Humanity will therefore greatly suffer the consequences of all the warnings that have been disobeyed.

Now let us look ahead and say:

*My Lord and my God, I believe in You, but increase my faith!*

For faith must be so deep and so rooted in each of us that it surpasses our very understanding. We will therefore be examined on our love and not according to our possessions.

God the Father tells us for which countries we should pray in particular, but we have many such Messages and we are called to pray for a multitude of countries, which is why we invite each person to pray for a continent.

Let us obey these Calls: they lead us to goodness.

Amen.
