

**MESSAGE OF OUR LORD JESUS CHRIST
TO LUZ DE MARIA
JANUARY 29, 2026**

My children,

I HOLD YOU IN EVERY PARTICLE OF MY CROSS OF GLORY AND MAJESTY.

You are My children; I come to call you to be aware of the force with which the elements of nature are acting on Earth at the moment. Do not justify what has no explanation; nature has caused very serious tragedies in various places on Earth. At the moment, disasters (1) are more frequent and severe, and yet you do not return to Me, disobedient children.

You have predictions at hand everywhere; some are not from My House, others are. You must therefore ask for My Spirit so that you may discern quickly, before you become confused and fall into the clutches of the Devil.

I AM PREPARING YOU TO FACE WHAT IS COMING, NOT SO THAT YOU WOULD LIVE IN FEAR OR UNCERTAINTY, BUT SO THAT YOU WOULD COME TO ME AND SAVE YOUR SOULS.

Earthquakes will continue (2), floods will sweep away cities, volcanoes will become active, causing great destruction, cold reaches tropical countries, and at other latitudes, heat surpasses limits; rivers and seas will turn red as blood. Fragments of rock or metal will fall to Earth from space (3), causing fear; these are parts of what is moving in space.

My beloved children,

SEEK MY MOTHER QUICKLY. LOVE HER, ALLOW HER TO BE YOUR INTERCESSOR SO THAT YOU WOULD HASTEN TO ME.

My beloved children, remain on spiritual alert!

Accidents have increased in all countries. At this moment, the Devil is lying in wait for My children and causing tragedies in order to steal the souls of those who have not come to Me promptly, and before they can reconcile with My House, he places them in difficult situations in order to interfere with My children's departure, so that they would be lost.

My Angelic Legions warn you so that you would take the initiative in being obedient to the Commandments of My House.

Spirituality, for those who enter into it, is a model of virtues; without wasting time, heed My Calls and come to Me.

WHAT MORE DO YOU EXPECT TO SEE?

My children, you cannot wait; conversion is a personal decision, and do not wait for the darkness in order to seek Me out of fear.

Pray, My children, pray! Disease (4) rides on with a sure step and is spreading rapidly across the Earth. Use the Good Samaritan oil from now on and keep calendula to hand. It is urgent for you to possess these remedies that My House has provided (5).

Pray, My children, pray. The sun continues to send out emanations of solar wind, causing distress on Earth. You will find yourselves without electricity - you will have to find new ways to survive.

The war (6) continues to advance pitilessly, and in its path, it will advance toward Italy, and the profanations will not be long in coming. For this reason, I have asked My sons the priests to safeguard the relics of My Church.

After the war has passed...

ATTENTION, CHILDREN! MY FATHER WILL ACT, AND AT THE PRECISE MOMENT, MY TRIUMPHANT CHURCH, FREE FROM ALL OPPRESSION AND COMMANDED BY MY MOTHER, WILL TRIUMPH WITH HER IMMACULATE HEART.

My beloved Saint Michael the Archangel will command the Heavenly Legions; Saint Gabriel the Archangel will bring peace to My children who love, adore, and wait for Me, and Saint Raphael the Archangel will bless My children who are sick.

Come to Me before it is too late!

Receive My Blessing.

Your Lord and God Jesus Christ

COMMENTARY BY LUZ DE MARIA

Brothers and sisters,

Our King and Lord Jesus Christ speaks to the conscience of each one of us, so that we would learn how to reason and not allow ourselves to be led astray from the true teachings of the Magisterium of the Church.

At this moment, we must be truly Christian people, not in name or appearance, but in the knowledge and the practice of the doctrine that Christ left to us, His People.

The martyrdom of Christ's first disciples did not occur in vain, but so that we, the future generations, would not allow the coming deceptions of the Antichrist to lead humanity astray and cause us to be led like sheep to the precipice.

Brothers and sisters, we are seeing and experiencing the power of the elements, due in part to human disobedience and the interference of misused science with those elements.

Let us save our souls, brothers and sisters, and hope to march with the Remnant Church, commanded by Our Blessed Mother and Saint Michael the Archangel, and may we live under the protection of the Archangels for the good of each one of us.

Brothers and sisters, let us save our souls!

Amen.
