

**MESSAGE OF THE BLESSED VIRGIN MARY
TO LUZ DE MARIA
DECEMBER 6, 2025**

Beloved children,

I bless you all and bless you for being obedient in praying the “Forty Days” so that the earthquakes and tsunamis would decrease in intensity. This is the intention that you must maintain during these Forty Days of Prayer, to which you have been summoned.

Beloved children of My Son, how much I love you!

You are the Mystical Body of the Church of My Divine Son, of which My Divine Son is the head. Each one of you is a part of the Mystical Body of the Church of My Divine Son (cf. I Cor. 12:12-27; Col. 1:18).

**I LOVE YOU, CHILDREN, I LOVE YOU. YOU, THE LAITY, FORM THE BODY OF THE
CHURCH OF MY DIVINE SON, AND THE CHURCH IS HOLY BECAUSE THE HEAD
IS HOLY, MY DIVINE SON IS HOLY. YOU MUST UNDERSTAND THIS, CHILDREN,
IN ORDER NOT TO BE CONFUSED.**

Beloved children, you are progressing in Advent toward the Birth of My Divine Son and toward the birth of so many of My children who are returning to the Church of My Divine Son - so many of My children who are being born into new life through conversion, hence the call to pray and to be aware of what it means to be part of the Church of My Divine Son. They are born again into grace through love, in order to be more spiritual and less worldly.

From *El Pilar* (*) to My final Apparition on Earth, I will be calling you to live with My Divine Son at the center of your lives; each person must be a child of My Divine Son and know that it is by My Divine Son that you are saved (cf. Eph. 2:8-9; Acts 4:12).

**I INTERCEDE BEFORE MY DIVINE SON FOR YOU AND I LEAD YOU
TO MY DIVINE SON.**

**I AM THE MOTHER OF GOD THE SON, YET YOU WILL NOT BE SAVED BY ME; I DO
HOWEVER LEAD YOU TO MY DIVINE SON, FULFILLING MY MANDATE AS THE
DAUGHTER OF GOD THE FATHER, TEMPLE AND
TABERNACLE OF THE HOLY SPIRIT.**

Beloved children of My Divine Son, you must continue to grow in the spirit (cf. Col. 1:10) so that you would attain the grace of having greater faith, which is necessary for everyone at this time.

The events deriving from the Tribulation continue, which already began when My Divine Son and My beloved St. Michael the Archangel told you so.

The attitude of the human race, a large part of whom still remain distant from My Divine Son, has changed: it is not the same, but more aggressive. Therefore, as Mother, I call on you to know how to maintain the dignity of the children of My Divine Son.

You are My children. I received you at the foot of the Cross (cf. Jn. 19:26-27), since when I have protected you and announced to you during My true Apparitions on Earth how you must protect yourselves, not leaving you on your own facing the constant threat of the Devil. You have the assurance of My Protection if you are faithful to My Son and observe the Law and the Sacraments.

Remain in a state of grace: humanity is approaching the great events announced throughout human history - fire will fall from the sky, you will see fragments of Celestial Bodies collide, the wind will be accompanied as if by a mist that will prevent you from seeing far ahead; explosions of underwater volcanoes will change the water of the seas, which will not be friendly to human beings. Among the underwater volcanoes is the one located by the west coast of Oregon, which will cause fear on the Pacific Coast.

The sun, children, continues to emit its storms (1), with the Earth constantly receiving flares that influence the movement of earthquakes. Stay on alert regarding the arrival of the blackout produced by solar activity.

Children, I speak to you with Motherly Love so that you would not forget that you must prepare yourselves materially (2) and above all spiritually (3) to face everything resulting from the Purification.

Do not forget that as Mother of Humanity I protect you, Saint Michael the Archangel with His Legions is ready to defend you, and My Divine Son comes to the aid of His children, who are Divine Property.

ON THIS EIGHTH OF DECEMBER, I OFFER A SPECIAL BLESSING TO ALL MY CHILDREN WHO ATTEND THE EUCHARISTIC CELEBRATION HAVING CONFESSED AND WHO RECEIVE MY DIVINE SON IN THE HOLY EUCHARIST, AWARE THAT THEY ARE RECEIVING THE "KING OF KINGS AND LORD OF LORDS."

MY SPECIAL BLESSING IS PERMITTED BY GOD THE FATHER AND CONSISTS OF GREATER STRENGTH TO RESIST SIN, AS LONG AS YOU CONTINUE TO ATTEND THE DAILY EUCHARISTIC CELEBRATION, PROPERLY CONFESSED, RECEIVING MY SON IN THE EUCHARIST AND LOVING YOUR NEIGHBOR.

Little children, I love you with Maternal Love, I carry you close to Me.

Mother Mary

COMMENTARY BY LUZ DE MARIA

Brothers and sisters,

In this outpouring of a Mother's love for Her children, the Most Holy Virgin Mary, Mother of God and our Mother, leads us along spiritual paths until she reaches the climax when she reaffirms that She is not God, but the Daughter of God the Father, Mother of God the Son, and Spouse of the Holy Spirit.

How the hearts of the children of Mary Most Holy are quickened!

This Mother whom we received through John at the foot of the Cross - Mother of Our Lord Jesus Christ and our Mother, merits all our love, our heart, our thoughts, and our obedience.

Brothers and sisters, we once again see the great humility of Our Mother when, at Cana in Galilee, she asks her Son for the first miracle and He replies, "*Woman, my hour has not yet come,*" but it is possible that our Mother looked at him with eyes of infinite love and Jesus, her Son, did what his Mother asked of him. Thus we feel the love that Our Lord Jesus Christ professes for His Most Holy Mother and the place He gives her before men. Let us remember that in this story of Eternal Love, the life of each one of us must be centered on Christ and not only on Mary Most Holy, as Our Mother has said to us on countless occasions.

Our Blessed Mother's holiness is great - that holiness and humility which will lead Her Immaculate Heart to triumph for the Glory of the Trinity and the good of the children of Her Divine Son.

And as if this catechesis that Our Blessed Mother gives us about Her Divine Son were not enough, She culminates by calling us to remain attentive to the signs and signals of this moment. She however offers us a very special blessing, that of resisting sin if we remain in grace and do what Our Mother tells us. This blessing of having greater strength to resist sin is what we need, and we must comply by participating in the Eucharistic Celebration, going to confession, receiving Communion, and living with love for our neighbor.

What maternal grace granted by the Most Holy Trinity!

Brothers and sisters, perhaps each of us could sing the Gloria in response to such a demonstration of maternal blessing.

Amen.
